*****BRAND NEW LISTING*****

The Donzi ZFX is the ultimate offshore high-performance fishing/cruiser. A big center console with extreme good looks and serious performance, she slices through the rough stuff with ease. She has a large open cockpit with fishing room with all the amenities needed for successful fishing or a day on the water cruising with family.

This boat does it all when you step into the 38 ZFX open cockpit you'll spot five rodholders across the stern. There's a small sink for cleaning up after prepping bait as well as a line locker. Four inspection hatches make it easy to maintain the steering system and rigging, and the batteries, bilge pumps, and through-hulls are accessible in under-dock lockers. On each are 6'2-by-1'7- by 1'4 macerated fishboxes with plenty of stowage for whatever monster the kids haul in. Rodracks run up the sides of the cockpit.
