## Summary/Description

This is an opportunity to buy a sexy, high performance boat with low hours (700 engine hours). Great engines MTU 16 2000 engines, she cruises at 28 knots and has a top end speed of 36 knots. The aft garage can hold lots of toys and a 12' jet tender.

This Riva Domino 86 offers a very open floor plan. She features four staterooms + 2 staterooms for crew.

## Introduction

Preliminary Listing July 2020

"Gypsea" is a low hour (470) lightly used 86 foot motor yacht which had been uniquely styled and designed for a great use of space. With the aft salon glass raised to the roof the aft deck blends into the salon for entertaining many guests aboard.

Powered by MTU 16 2000 engines she has a cruise of 30 knots and a top end of 36 knots.

## Vessel Walkthrough

"**Gypsea**" the **Riva 86' Domino** offers a very open floor plan, with the rear window and sliding starboard door opens to create an Al-fresco entertaining design on one level. The aft lounging settee offers a very casual large u-shaped seating area with ample room for eight owners and quests with further seating forward on the aft deck straight settee with occasional chairs that are stored inside teak aft deck table which can be used for cocktails or dining.

Going forward from Aft Deck you enter the Salon with three sectional sofas port, starboard and aft. The forward part of the Salon behind triple helm seats is a formal glass dining table and chairs that seat eight.

To port and down 4-steps is the Galley with a full array of appliances including a full-size side-by-side refrigerator.

The Helm area is all the way forward on the Main Deck with a full array of electronics, radar, plotter, depth sounder, autopilot and speed indicator all tied together through a Furuno Nav Net System with dual monitors, the custom electrical raised helm seats off great visibility for extended cruising.

There are four Owner and Guest Staterooms accessed through the starboard side of Helm and down 4-5 steps to a larger Foyer area.

Going aft from lower Foyer you enter a full-beam **Master Stateroom** with king size berth offset to port side with a settee to starboard. The master has large hull side windows port and starboard for excellent views of the water. It gives you a sensation that you are sleeping on the water. Aft of the full-beam master is the **Master Head** with a separate shower stall to port. The master closet is a walk-in and is located to starboard from the Master Head.

Going forward from the lower Foyer are three Guest Staterooms. All the way forward is a VIP with walk-around queen and en-suite head. The second VIP is aft and to port with a walk-around queen and en-suite head. The fourth stateroom is starboard and aft of VIP offers side by side berths with access to a full head which doubles as a Day Head for the entire yacht just off the lower Foyer and to starboard.

There are two Crew Staterooms with upper and lower berths in each with a 4-person settee on centerline. Both Crew Staterooms share a head.
