For Sale

In Perfect Conditions!!!

Engines Upgrade (C-18's 1015 HP) 1,000 Hours Service Done and Extra Fuel Tank.

Rivieras are held in high regard for their enduring eye appeal, roomy layouts, and near-bulletproof construction. The 51 Convertible reinforces that reputation for quality and toughness while setting a standard for luxury not previously associated with boats from this Australian manufacturer. Built on a semi-V hull with moderate beam and a solid fiberglass bottom, the Riviera's elegant cherrywood interior is roomy, comfortable, and impressively appointed. The salon and dinette blend easily into a single open space, and the forward VIP stateroom is nearly as spacious as the master. For kids or crew, a second guest cabin has upper and lower berths. One of the highlights of the Riviera 51 is her spacious flybridge with its ergonomic helm position, wet bar, and L-shaped lounge seating. The teak-soled cockpit offers a full array of fishing amenities, and the engine room—while snug—offers good access to all maintenance points. Additional features include an overhead rod-storage compartment in the salon, washer/dryer, hardtop, forward collision bulkhead, and bow thruster. CAT's C-18 1015 HP Engines.
