OVERVIEW

The 87/92 Motoryacht is Offshore's latest model line. This series answers a market segment that appreciates Offshore quality but desires a more contemporary look and feel than the classic designs of other Offshore models. A sleek, contemporary look is brilliantly combined with usability, livability, and comfort. Spacious open-concept layouts allow for all the fun and toys of long and short range cruising adventures as well as gracious entertaining with family and friends.

EQUIPMENT HIGHLIGHTS

Offshore's 87/92 standard specification list is quite possibly the most extensive you'll find in this yacht class. The new 87/92 is a truly innovative cruising vessel offering the best in design, comfort, standard equipment, and excellent resale value.

- Twin C18 Caterpillar: 1015 hp engines
- Standard twin 30kW generators with sound shields
- Dual ZF Joystick (JMS) control stations exterior of Sky Lounge provide clear visibility for docking
- Seatorque shaft systems float engines on soft mounts to reduce vibration and noise.

Shaft efficiency is increased by enclosing shafts in oil-filled casings

- ABT hydraulic 50hp bow and stern thrusters with proportional controls
- ABT hydraulic 12-foot stabilizers
- Shorepower ISO-boost voltage regulation transformers
- Heavy duty rub rails at deck level and water line
- 2,500lb Nautical Structures hydraulic cable, boom, and rotational davit
- 1,400gpd Sea Recovery reverse-osmosis watermaker
- Chilled water air-conditioning system
- Power steering

FEATURES

- Main deck is one level from bow to stern
- Standard day head
- Easy boarding access via dual hull side doors and dual aft stairways
- From the aft deck, a curved molded stairway leads up to the boat deck
- Aft deck stairway leads down to crew quarters and engine room
- Wide walk-around decks, indispensable for boarding, handling lines, and safety
- Large low windows offer exceptional visibility from main deck and Sky Lounge
- Spacious boat deck accommodates comfortable seating and dining arrangements as well as a large tender.
- Complete wheelhouse cross ventilation through two overhead hatches and three exterior doors.
- Sky Lounge side decks are covered by full roof overhangs
