Tremendous value in this price range!

"Crazy K", a 2016 Viking Yachts 52 Convertible, is as clean and dialed in as you will find in a late model convertible. In February 2019, the vessel left VYSC with a new Seakeeper 9 offering 89% roll reduction. Crazy K is nicer than ever and ready for its next owner to enjoy. She was built by a knowledgeable team to include everything you could need without the unnecessary clutter, weight, and extras you don't. The 52 is fast, dry efficient, and has the range to run with her larger siblings. She will cruise at 33.5 knots, with optimum low cruise at 30 knots burning approximately 80 gph. This one features a PBT Half Tower, Release Marine Helm and Fighting Chair Package, exceptional electronics package, extra fuel, water maker, ice chipper, the preferred VIP forward crossover layout, and a lot of love and care. Don't miss this amazing opportunity to own the best in what the Viking 52C has to offer.

Salon

- Custom Amtico flooring at salon entranceway
