Hours Date: 08/30/2019

## Summary/Description

SITTING IN THE SALON ON THE AMAZINGLY COMFORTABLE SOFA AFTER A BIG DAY EXPLORING WATCHING THE ISLANDS GO BY IS SIMPLY A DELIGHT

### **The 103-foot (31.5m) Maiora 31DP motor yacht AVELINE features a timeless Italian-designed exterior and a luxurious, contemporary interior**

Motor yacht AVELINE showcases a warm, welcoming interior with modern light oak to give her a bright, fresh feel. Her light-colored, neutral furnishings provide an open, airy ambiance while her dark wood accents in the formal dining give the feeling of rich elegance. The luxury motor yacht has an excellent main-deck layout that allows guests to watch the big screen satellite HDTV in the main salon without disturbing a dinner party in the formal dining area. Her raised pilothouse provides more interior volume and outstanding visibility for the captain when cruising. It also offers the additional volume required for a separate dining room and a convenient day head on the main deck.

AVELINE offers accommodations for eight guests in four sumptuous staterooms. Her beautiful master suite, located amidships for absolute comfort, is accompanied with a stunning en-suite bath adorned with fine Italian marble and features his-and-hers sinks, a shower and Jacuzzi tub. The luxury yacht's additional staterooms include a queen VIP and two twin staterooms. Each stateroom is complete with its own AV system and en-suite bathroom.

For days spent enjoying the alfresco lifestyle, luxury yacht AVELINE features luxurious outdoor living areas. Her flybridge is the ideal place to relax and dine alfresco, showcasing a large sun pad, wet bar and dining for eight. She has a removable Bimini top that allows for the convertible option of sun or shade. Additionally, AVELINE's fully covered aft deck is a perfect place to entertain. If more shade may be required the crew can extend the electric awning.

Featuring an aft garage, motor yacht AVELINE can easily stow water toys, dive tanks and other equipment. The garage also features a large ice machine as well as a washer and dryer.

The separation between guests and crew is phenomenal on board; crew can move about easily while providing exceptional privacy to guests.

AVELINE was built for fast cruising with a top speed of 23 knots and a fast cruising speed of 20 knots. An economical cruising speed of 12 knots enables a 1,200 nautical-mile-range. Featuring CMC electric Zero-Speed stabilizers, this luxury yacht provides the ultimate in comfort while aboard.

#### **Features**

- Beautifully presented and maintained by five full-time crew and overseen by a management company
- Upgraded Furuno electronics suite and underwater lights
- Diesel tankage was increased during build, giving a total of 16,000 liters with a 1,200 nautical-mile range at 12 knots.
- Hamann black water and gray water treatment, allowing access to marine reserves
- CMC electric stabilizers working underway and at Zero-Speed
- Aft garage for toys and a generous swim platform for water sport activities
- Cradle on bow
- Central swimming ladder
- Garage access on the teak platform with electric opening hatch

- Twin port + starboard showers
- Commercial ice maker in the garage
- 2 x Liebherr fridge freezer
- 6 x Underwater lights

2 x Kayaks

### **FLYBRIDGE**

Twin bimini 2 x MOB MK8

Day bed

Tender davit, 1 x tender cradle

Drawer fridge

Isotherm Icemaker

Deck shower + teak decks

SS sink Helm dining table for 6

Twin kayak cradles

Guest Dinghy - with new Suzuki Outboard

## 10. SAFETY EQUIPMENT

2 x Life raft

Life jackets

EPIRB

AIS

Flares

Life rings

## 11. DECK EQUIPMENT

100M chains x 2 + Anchors

Aft mooring windlass port + stbd

Flybridge davit 500kg + tender cradle on flybridge

Bow davit for rescue tender + jet ski

Aft port docking station with thruster

## 12. BROKER COMMENTS

Sitting in the salon on the amazingly comfortable sofa after a big day exploring watching the islands go by, was simply a delight.

Each Maiora is as individual as her owner; the ability for owners to semi-customize their yacht is what creates the uniqueness of a Maiora: no two Maioras are the same.

The separation between guests and crew is exceptional on the 31DP. The galley is located forward on the main deck and connected with access to the forward crew cabins, bow and side decks.

With the galley location forward, this allows service to the dedicated dining room separated by auto sliding doors. This means a dinner party can taking place undisturbed, while other guests watch movies on the big screen Satellite HD TV in the salon.

The day head on the main deck is a unique feature on this 31m, which is enabled by the additional volume created by the raised pilot house configuration.

Enjoy a fast cruise at 20 knots or achieve a range of 1200 NM at 12 knots.

The addition of CMC electric zero speed stabilizers has made cruising a delight in any wind and weather condition, and has transformed AVELINE into a versatile cruising yacht.

The exterior design is stylish and flowing and will remain 'en vogue' for many years to come.
