

46 Grander

46' (14.02m) 2016 Jarrett Bay 46 Grander
Beaufort North Carolina United States

OVERVIEW

Manufacturer:	Jarrett Bay		
Engines:	2 CAT	Hull Material:	Fiberglass
Engine Model:	C18	Cruise Speed:	39
Engine HP:	1136	Max Speed:	45
Beam:	15' 4"	Cabins/Heads:	1 / 1
Max Draft:	4' 6"	Fuel Type:	Gas/Petrol
Water:	100 G (378.54 L)	Fuel:	800 G (3028.33 L)

\$2,350,000

Data Sheet

Category: Sport Fishing
Subcategory: Center Consoles
Condition: Used
Model Year: 2016
Beam: 15'4" (4.67m)
Max Draft: 4' 6" (1.37m)
LOA: 46' (14.02m)
LWL: 41' 5" (12.62m)
Cabins: 1
Heads: 1

Maximum Speed: 45 Cruise Speed: 39
Fuel Type: Gas/Petrol
Hull Material: Fiberglass
Hull Shape: Planing

Dry Weight: 36500 lbs
Fuel Tank: 800 gal (3028.33 liters)
Fresh Water: 100 gal (378.54 liters)
Holding Tank: 30 gal (113.56 liters)
HIN/IMO: 61

Engines/Generators

Engine 1

CAT
C18
Inboard
1136HP
Fuel: Diesel
Hours: 850
Year: 2016
Location: Port

Engine 2

CAT
C18
Inboard
1136HP
Fuel: Diesel
Hours: 1136
Year: 2016
Location: Starboard

Generator 1

CAT
C.22
Hours: 1050

The GRANDER is a milestone in the continuous evolution of Jarrett Bay Boat Works. Jarrett Bay's commitment to collaborative integration of boat owners ideas and concepts, maintains their position at the forefront of creative influence, in today's custom boat building market. Demonstrating yet again what truly custom boat building is all about, custom hull 61 features some outright bold design choices, including the dark paint and black tower hardware. The result is an aggressively beautiful tactical vehicle that attacks offshore fishing's status quo. The GRANDER is undeniably one of the most influential custom built Sportfish of the 21st Century! Completely Repainted 2018 - Updated Electronics - Platinum Warranty - New Sea Keeper 6

- Full CAT 1000hr main engine and generator service.
- Hull painted.
- Natural teak toe rail clear coated.
- Cover board, combing, cockpit deck and bridge deck reconditioned.
- Full topside and engine room detail.
- New bottom paint.
- New forward deck hatch.
- Extended warranty in place.

Cockpit

The cockpit is arranged with a central mezzanine seat that doubles as a large ice maker and cooler, with two freezers accessible in the steps below. Two huge in-deck fish boxes straddle the Release fighting chair and transom livewell with tuna tubes. No space is wasted throughout, with the mezzanine steps and seating hosting multiple flush-face tackle drawers and dry storage.

Bridge

The primary helm features pilot and co-pilot chairs with an artfully designed electronics suite with the latest from Cat, Garmin, FLIR, iCom and Fusion. To starboard is convertible bench seating concealing rod storage, while additional seating, dry storage and an in-deck engine room hatch occupy the space to port forward of the helm.

Flybridge Helm

Accessed by teak-covered steps on both sides of the tower, the upper helm area is defined by another teak sole contrasting the dark metallic painted surfaces. Featuring a single pilot chair behind a full pop-up electronics display, the bridge boasts an aft-facing seat as well as larger bench seating and storage forward of the helm.

Electronics and Helm

- (2) Garmin Multi-function Displays on Bridge Deck
- (2) Garmin Multi-function Displays in Flybridge
- (2) ICOM IC M604 VHF on Bridge Deck
- (2) ICOM IC M604 VHF in Flybridge

- Garmin Autopilot
- ACR Remote Spotlight
- FLIR
- Ritchie Powerdamp Compass
- Clarion CMD5 Marine Stereo

Interior Layout

The clean and modern design flows below as the sliding companionway door reveals another striking mix of metallic and wood veneered surfaces. A compact, but capable galley occupies the starboard side which includes a wash basin, microwave convection oven, over/under refrigerator/freezer and recessed storage. A two person v-berth wraps around the forward cabin underneath a central overhead hatch. To port is an extensive tackle storage station, a combination rod and wet hanging locker, and a well-appointed head finished in Stardust Silver throughout.

Engine Room

Powered by twin Caterpillar C18 engines with ACERT technology, the boat is every bit as fast as she looks, and economic to boot. Booking along at 40 knots while using around 47 gph, the Grander tops out at 45 knots with a fuel burn of just 59 gph. The boat's mechanical systems also include a 21.5 kW Cat generator, a generous water maker capacity and a new Seakeeper 6 gyro stabilizer.

- Caterpillar C-18 1,136hp Engines - Platinum Warranty May 2021
- CAT 360 Controls w integrated CAT Bow Thruster
- Twin Disc MGX5135A 1.79:1 Gears
- Caterpillar C2.2 21.5Kw Generator
- Eskimo mod. EI 540D Ice Machine
- Victron Energy 24 Volt 50 Amp Charger
- Victron Energy 24 Volt 50 Amp Charger
- Aqua Matic Water Maker
- Mach 5 Freshwater Pump
- Force 10 gal. Water Heater
- Fire Boy MA201150 Fire Suppression

Highlights

Topped off with a custom satellite and radar dome and her all-black fittings and rigging, Grander's dark demeanor is lit in an impressive spectrum of color at night thanks to an extensive Lumishore LED lighting installation throughout the hardtop, gunwales and transom. Another innovative Jarrett Bay calling card from her larger sisterships made its way onto the 46' - the Jarrett Bay signature bucket chairs integrated into the forward cabin house.
