Are You Ready To Go Cruising? Ipanema Is Ready to Take You To All Your Dream Destinations!

- **New In-Mast Furler Installed in 2018**
- **New Halyard Lines Installed and Whipped in 2018**
- **New Lewmar Electric Windlass Installed 2018**
- **Bottom Painted Professionally in 2017**
- **New Victron Battery Monitoring System**
- **New Marine Radio and Speakers Installed 2018**

Here is what Beneteau had to say about the 331:

"The first comment most sailors make about the Beneteau 331 is "I can't believe this boat is only 33 feet long!" And once you step aboard this amazing mid-size passage maker, we believe you'll agree. Built for comfort and ease of handling, you'll appreciate the wonderful performance capabilities and enormous interior volume - whether you're taking her for a weekend cruise or racing in a Wednesday night regatta. For anyone who is looking for the perfect cruising yacht for a couple or family, it's worth a trip to see the Beneteau 331. Packed with features and standard equipment that are normally only found on much larger boats, the 331 is a welcome addition to the Beneteau line of cruising sailboats....."

Accommodations

Are You Ready To Go Cruising? Ipanema Is Ready to Take You To All Your Dream Destinations!

The interior of this vessel is a combination of rich polished teak, holly, and cherrywood finishes with a finished easily cared for headliner. At the bottom of the companionway is a U-shaped Galley to port and a private Owner's Cabin with a large queen-sized berth to starboard. Also to starboard is the Head with full standing headroom. Forward is the saloon with a comfortable circular dinette that converts to a double berth to starboard and a full-sized settee to port. The guest cabin is forward with a large private V-berth.

There is exceptional storage facilities in all areas including: hanging lockers in both cabins, abundant cabinet space in the galley, cabinets to port and starboard in the saloon and plentiful storage beneath all berths and settees. All areas have in excess of 6'3" head room.

OWNERS CABIN (AFT):

Large queen berth, hanging locker, storage below berth, storage shelving, two reading lights, two portholes and hatch for ventilation, two 110v outlets and one 12v outlet.

GUEST CABIN (FORWARD):

Large double v-berth, hanging locker, storage below berth, storage shelving, two reading lights, large hatch for ventilation, two 110v outlets.

SALOON:

6'3" headroom, U-shaped dinette that converts to a double berth, one hatch and two opposing opening ports for ventilation, full-length port settee, multiple warm-white led lights, two 110v outlets and one 12v outlet, three cabinets for storage, shelving, nav station, and control panel.

HEAD (STARBOARD):

6'3" headroom, convertible faucet to shower head, electric sump pump, Jabsco marine toilet with holding tank, opening port, wet locker, and dry storage with two 110v outlets.

Galley

The very clean galley is to port and features everything needed to make the chef happy. Prepare an elegant meal or just a quick snack with ease in this wonderful galley..

Manufacturer Provided Description

Designed by Groupe Finot, the Beneteau 311 is fast and comfortable and has many of the characteristics that one might expect from much larger boats. Her hull and integral molded grid system combine to create an extremely strong and stiff structure. The bulb keel, despite its moderate draft, gives impressive speed and ensures excellent performance under sail. Her large sail area is divided between the mainsail with long battens and the moderate

overlap furling genoa. The deck layout is simple and efficient. The large cockpit has slatted teak seats and is completely uncluttered, and the genoa sheet winches are within easy reach of the helm. Standard features include lazyjacks, a quick reefing system, and a solid boom vang. Below deck and to port is the galley with gimbaled stove, stainless steel sink with pressurized hot and cold water, and plenty of storage. To port there is a large head with a marine toilet and wash basin, a shower with pressurized hot and cold water, a hanging locker, and plenty of room to store sundries. To starboard is a large navigation table. Electronics can be easily seen from the bulkhead. The symmetrical salon consists of two settees flanking a large drop-leaf table. The 311 has two cabins - forward and aft. The private forward cabin has a large V-berth, a hanging locker, and lots of storage along the side of the hull. The aft cabin is also generous in size with plenty of room for storage.
