Brokers Remarks

A true head-turner both inside and out with its expansive outdoor lounging areas and beautiful interior. With more than two years left on Sea Rays bow to stern warranty, and a little less than five years left on the Passport full coverage warranty, it is hard to go wrong with this boat! Twin Seakeeper Gyros keep the boat flat in most any condition and the

reliable Caterpillar Power and large fuel capacity will get you to most any destination. Every available option is on this boat. It shows like brand new! With a Major overhaul at the Sea Ray factory in April of 2019, any and every item on the boat was replaced or gone through essentially setting the boat back to "New" status for its discerning owner. *While in Sea Rays Care the shafts and Props were damaged in the hauling and blocking process and were replaced with all new Gear, followed by a survey to prove no further damage was done.
