Walkthrough

Below decks **UNCLE JACK** is very open and offers great use of space with all the amenities and storage required throughout. She is classic Rybovich dayboat with painted matterhorn white interior, trimmed in varnished mahogany. She has a large V-berth with drawers and storage below. The galley is to port with plenty of storage both over and under her classic monel metal countertop. She has a top load refrigerator/freezer, microwave and sink. Her head is to starboard and is very spacious and offers a complete stand up shower, vanity and sink with storage under and mirrors.

Her flybridge has two bench seats with storage under to port and starboard. Her center console and helm pod offer great visibility and electronics are within arms reach of the helmsman.
