Accommodations

Grady White introduced this model in 2005 hitting the market just right and never looked back. She was designed for the demanding offshore anglers with a large deck space, the power and speed of triple 350's and the comfort of an inviting interior with fantastic amenities.

The hull is a deep-V with a 20-degree deadrise that provides a comfortable ride in adverse seas. The cockpit was designed for the angler complete with a large live-well, rigging station, sink, bait boxes and storage. There is also comfortable seating for the ride to the canyons or when you are entertaining guests. The helm deck is an extension that offers plenty of seating and a commanding view from the captains centerline seat. The hardtop and enclosure will keep you and guests comfortable and out of the weather. The standard bow thruster will keep you in control in those tight situations and the A/C will keep you comfortable.

Below the accommodations are very plush with two double berths and a convertible dinette. The galley is well equipped to whip up a meal for your fishing buddies and to entertain your guests on a cocktail cruise. The enclosed head and shower are very spacious for a 36 foot boat.
