“Endless Summer” is a masterpiece built by legendary Jim Smith. This 60’ walkaround is truly incredible. Stepping in the massive cockpit is an anglers dream. With all her modern amenities and full walkaround abilities, she is an unstoppable machine.

Vessel Walkthrough

Moving to the helm through the oversized air conditioned bridge deck area you will find a great area for entertaining with full seating for ten. This area features teak decking custom bench seating with rod storage below complimented by a teak dinette table.

Stepping down five steps into the cabin brings you to the galley. This area is accented by modern style cut pure white stone countertops with teak cabinetry and surrounded by rich satin finished teak throughout along with teak and holly floors. The galley features two flush mounted induction burners along with a flush mounted stainless steel sink, under counter custom refrigeration as well with an abundance of storage.

Moving forward to starboard is the master stateroom featuring a queen berth and a huge head and shower. Across to port is the full oversized guest head and shower. All the way forward in the bow is the guest stateroom with side-by-side oversized berths.

Cockpit

Massive cockpit for serious anglers to maximize use of space. Teak deck and covering boards accent this area with access to an in-deck live well and fish box. This area offers a giant custom freezer with a full rigging station.
