65' (19.81m) 2020 Hampton 650 Pilothouse  
Fort Lauderdale Florida United States

## OVERVIEW

Manufacturer: *Hampton*

Engines:	2 Caterpillar	Hull Material:	Fiberglass
Engine Model:	C - 12.9	Cruise Speed:	
Engine HP:	1000	Max Speed:	
Beam:	17' 8"	Cabins/Heads:	3 / 3
Max Draft:	"	Fuel Type:	Diesel
Water:	400 G (1514.16 L)	Fuel:	1200 G (4542.49 L)

## Call for Price

## Data Sheet

Category: Pilothouse  
Condition: New  
Model Year: 2020  
Beam: 17'8" (5.38m)  
Min Draft: 5' 2" (1.57m)  
LOA: 66' 4" (20.22m)  
Cabins: 3  
Double Berths: 3  
Heads: 3

Fuel Type: Diesel  
Hull Material: Fiberglass

Displacement: 85000 Fuel Tank: 1200 gal  
(4542.49 liters)  
Fresh Water: 400 gal (1514.16 liters)  
Holding Tank: 120 gal (454.25 liters)

## Engines/Generators

### Engine 1

Caterpillar  
C - 12.9  
Inboard  
1000HP  
Fuel: Diesel  
Location: Port

### Engine 2

Caterpillar  
C - 12.9  
Inboard  
1000HP  
Fuel: Diesel  
Location: Starboard

## Summary/Description

Hampton Yachts is proud to announce the introduction of the Hampton 650 Pilothouse. Like all Hampton yachts, the Hampton 650 is designed and built for comfortable, safe, and dependable cruising. The attention to detail in every facet of construction on the Hampton 650 is what every discerning yacht

## Highlights

### Hull, Superstructure, and Deck

Hand-laid solid fiberglass hull with Cymax (Kevlar)  
Vinylester resin for first 5 layers of hull lay-up  
2 layers of Kevlar from chine to chine and 3 layers of Kevlar in the fwd collision zone  
Hand-laid fiberglass deck, deckhouse & flybridge cored w/ high strength Divinycell foam  
Hull/deck joint through-bolted every 6", sealed w/3M 5200 sealant, glassed over w/ 3 layers of fiberglass Longitudinal and transverse stringer system  
Molded F.R.P. rub rails capped with solid stainless steel trim rails  
Molded non-skid F.R.P. decks  
Interior structural components all properly bonded to the hull  
Stainless steel 316L Oval hand rails  
Stainless steel oval Bow Rail 316L fitted with mid rail **Flybridge / Deck**  
3 x S/S hatches for hardtop (center one is larger)  
AC outlets installed at the helm station & mid deck; USB charge ports at helm station  
Chart locker - Install a drain in the aft port corner of locker to drain to the flybride deck  
Compass - magnetic 6" backlit  
Complete engine & instrumentation displays - Caterpillar engine monitors  
Davit - Brower with Power rotation 1200lb capacity  
Twin Disc electronic engine controls  
Electronic horn remote control  
Flybridge F.R.P. hardtop with non-glare texture and LED lights  
Flybridge to pilothouse access hatch with S.S. oval safety handrail  
Flybridge food center. Corian countertop w/S.S. grab rail, uncounter sink with faucet, U-line refrigerator w/icemaker DCS SS BBQ  
Freshwater F/B deck washdown  
Helm station with (2) Pompanette helm chairs  
Custom helm steering wheel - S.S. & cherry  
Hydraulic power steering  
LED lighting - F/B hardtop & deck courtesy lights - switches located at helm station  
Luxury L-settee with designer cushions and hi-lo FRP table  
Navigation electronics - See navigation section below Non-skid decking

Search light remote control

Stereo FM/DVD/MP3 player, system with 4 speakers

Stairway "molded fiberglass" from cockpit to flybridge with teak steps treads

Tempered glass venturi screen with F.R.P. frame

TV - 32" LED mounted in a fold down cabinet built into the F/B hardtop

Windlass - Maxwell remote control

### **Aft Deck & Swim Platform**

Aircraft style S.S & FRP transom door

Refrigerator in base of aft deck table pedestal

Boarding gates: Port & starboard side deck FRP gates & dual aft S.S. & safety glass transom gates Boarding ladder storage - portside under helm station

Camera - GARMIN or equivalent reverse image center mounted under hardtop

Cleats - 2 X cleats installed on the deck cap rail aft of the boarding gates

Cruising settee with cushions

Table - Cherry wood with a compass rose inlay design. (No warranty on exterior wood tables). Fresh and raw water washdown outlets - installed in the starboard side transom storage locker

Hot and cold shower unit (Attwood) installed in the starboard side transom storage locker

Lazarette deck access hatch - manual with hydraulic cylinder lift assist

LED overhead and deck courtesy lights

Port & stbd swim platform cleats with LED lighting mounted above for docking at night

Port & stbd transom storage compartments

Recessed cablemaster channels - port & stbd swim platform

Stainless steel swim ladder

Swim platform 2.5" diameter S.S. guard rails.

Teak decking on aft deck & steps leading to the F/B

TV - 32" LED installed in a fold down cabinet mounted into the aft deck hardtop

Port and Starboard wing helm stations with Twin Disc engine controls and Side Power thruster controls **Foredeck & Side Decks**

Anchor windlass: Maxwell 3500 single anchor with 3 station controls

Anchor & chain: 1 x 50kg Bruce polished S/S anchor with 300' 3/8" HT chain & 25' of anchor rode Deckhouse fuel fill & tank vents - designed to offer easy & safe fuel filling

Deck handrails - 316L large oval rails

Fore Deck custom sunbathing lounge pad- custom lounge pad - (decor)

Non-skid recessed decks with LED courtesy lights

Shore power inlets: starboard side of P/H - (2) 240/120V/50A, (1) 125V/30A

Storage lockers - port & starboard built into the foredeck

TV/Phone inlet: port side of P/H - Marico brand

**Salon** Custom cherry diamond pattern cabinet panels with satin finish

Cherry cabinet with stone countertop and wine cooler

Cabinet for entertainment system starboard side Custom stainless steel & glass trifold door opening the salon to aft deck

Curtain box for salon door; Draw curtain for privacy

Custom coffee table - port side

Custom décor - sofa, chairs, carpeting, countertops - (décor)

Entertainment system - Bose "Life Style" surround sound system

Frameless windows in salon

2-Upholstered ottomans (decor package) Designer pull down pleated shades

LED overhead and indirect lighting

Starboard side upholstered chairs (décor package)

Salon overhead decorative ceiling treatment in Cherry with variable intensity LED lights

Stainless steel & safety glass tri-fold entry door

Port side upholstered L-settee (décor package)

TV - 42" LED recessed mounted in starboard side cabinet Custom fitted fabric wall panels

## **Galley**

Open U-shaped design - offering unobstructed open view from the pilothouse helm to the aft deck settee Custom cherry diamond pattern cabinet panels with satin finish Granite countertop with large sink

Heated Granite floor - (when hydronic diesel heat system is in operation)

GE trash compacter

SubZero refrigerator with (2) freezer drawers and icemaker

GE Profile electric glass 4 burner cook top

GE Profile Oven

GE Profile Convection Microwave

GE Dishwasher

Garbage disposal

Galley drawers & storage cabinets

GFCI outlets x 4 (Vimar)

Large undercounter S.S. sink with single lever faucet

Overhead variable intensity LED lights

Pots-n-Pans drawer

Storage next to the oven Frameless windows with designer pull down pleated shades

## **Pilothouse**

2 X Pompanette Platinum Series helm chairs with stainless steel pedestals

3 x windshield wipers with washers (Exalto with Park Position) Air-conditioning outlet for pilothouse windshield defrost system

AC outlets at the helm station; USB charge ports at the helm station

Air-conditioning - reverse cycle, air chilled type

Aircraft style port & starboard pilothouse doors

Built-in forward facing dinette/cruising settee and cherry table with fold out leaf Storage below

settee and chart drawers below table mount Charting desk with granite top; upholstered chair and storage drawers Centered helm station with custom designed helm console  
Custom tongue & groove pilothouse floor  
Complete engine & instrumentation displays - Caterpillar engine monitors Curtain box for the port & starboard aircraft style pilothouse doors  
Curtain box with Hunter Douglas power blinds for pilothouse windshield - (décor) Custom cherry & S.S. helm steering wheel  
Twin Disc electronic engine controls  
Electric horn remote control  
Sea Fire - fire suppression system remote override control  
Frameless windows in pilothouse with designer pull down pleated shades  
Hydraulic power steering  
Interior stairway with S.S. hatch/door leading to the fly bridge  
LED lighting  
ABT - TRAC digital stabilizer system control  
Search light remote control  
Ships system indicator panel  
Fusion stereo CD / AM-FM system with speakers for the pilothouse and cockpit  
Trim tab remote control  
Wema brand - fuel and water tank gauges  
Maxwell windlass remote control

## **Foyer**

Curved stairway with LED courtesy lights  
Washer & separate Dryer - Bosch (or similar quality)  
Utility storage cabinet Stone inlay flooring at landing of stairs

**Master Stateroom** Full Beam owners stateroom with walk-in head and closet behind the owners berth

Custom cherry diamond pattern doors & cabinet panels with satin finish Cedar lined hanging locker  
32" LED TV  
Air-conditioning reverse cycle  
King size bed with storage drawers underneath  
Custom S.S. dual port light design with extra wide design for more light inside Custom fitted fabric wall panels Diesel heat outlets  
Dimmer control for LED lighting  
Headboard reading lights  
Designer pull down pleated shades  
LED overhead & indirect lighting  
Port side settee with custom fabric with storage - (décor) Starboard side vanity with storage drawers

Fusion stereo CD/DVD AM-FM player, Polk speaker surround sound system USB charge ports

## **Master Head**

Air-conditioning reverse cycle

Cherry vanity with undercounter sink and Grohe single lever faucet; storage below

Custom overhead ceiling treatment with accent lighting Diesel heat outlet

Granite countertop - choice of colors from manufacturer's samples

Granite floor - Heated floor (when hydronic diesel heating system is in operation)

Grohe faucets for vanity and shower

LED lighting

Large FRP shower stall lined with Corian - Granite accents that vanity countertop Opening S/S port light

Shower faucet

Shower exhaust fan

Tecma toilet

Vimar GFCI Dual outlets

## **VIP Stateroom**

Island berth with built-in storage drawers, hinged top with storage underneath Custom cherry diamond pattern doors & cabinet panels with satin finish Custom fitted fabric wall panels Air-conditioning reverse cycle

32" LED TV

Carpeting with underlayment

Cedar lined hanging locker

Diesel heat outlet

Drawer storage built into the base of the island bed

Headboard reading lights

LED courtesy lights

LED overhead lighting with dimmer control

Opening S/S port lights w/screens; designer pulldown pleated shades

Skylight with Ocean-Air screen

Fusion stereo AM/FM/CD/DVD player

Wrap around storage cabinets - Port & Starboard cherry wood USB charge ports

## **Forward VIP/Day Head & Mid Guest Head (2 separate heads)** Air-conditioning

reverse cycle Cherry vanity with undercounter sink and Grohe faucet

Diesel heat outlet

F.R.P. molded Shower Stall with bench seat

Granite countertop - choice of colors from manufacturer's samples

Granite floor - heated when the hydronic diesel heating system is in operation

Grohe faucets sink vanity & shower

LED overhead lighting

Opening S/S port light w/screen

Overhead mirror in head  
Shower exhaust fan  
Tecma toilet  
Vimar GFCI Dual outlet

### **Mid Guest Stateroom / 3rd**

Custom bed with reading lights  
Custom cherry diamond pattern doors & cabinet panels with satin finish Custom fitted fabric wall panels 24" LED TV  
Air-conditioning reverse cycle & diesel heat  
Cedar lined hanging locker & storage compartments  
LED overhead lighting with dimmer control  
Night stand with drawer Fusion stereo AM/FM/CD/DVD player USB charge ports

### **Lazarette**

Aircraft style transom door  
C-Charles Iso transformers - Iso Boost  
2 x Glendenning 250/125V/50A cable master systems with 75' power cords  
In-deck access hatch on aft deck  
Fender storage - S.S rails mounted in the lazarette overhead located under aft deck settee location Finished lazarette with built-in cabinets - painted white  
FRP decking with rubber treads  
LED overhead lighting  
Preparation for water maker - thru hull, sea strainer, wiring

### **Sidepower 15HP 24V stern thruster    Engine Room & Bilge**

Stand up headroom in the engine room  
Caterpillar C-12.9 1000 HP diesel engines  
Electronic engine controls - 4 stations electronic controls  
Twin Disc transmissions  
1210 gallons fuel capacity - athwartships fuel tanks  
400 gallons water capacity  
120 gallon holding tank capacity  
20 gallon hot water tank  
Sea Torque shaft system  
Bilge pumps - 4 x automatic Johnson brand  
Groco bronze seacocks and sea strainers on engine raw water intakes  
Color coded water lines  
Color coded hydraulic lines  
Parker fuel lines  
Engine oil changing system (Reverso or similar quality) Engine automatic shutdown system - Sea Fire system  
Engine room 24VDC LED lights

Engine room LED lights beneath engines

Engine room bulkhead insulated with extra sound insulation

Engine room emergency bilge pumping system - S.S.mainifold system utilizes engine RW pumps

Engine room fans - 24 volt x 4

Engine room fire suppression - Sea Fire system

Engine room sound reduction insulation (sound down)

Fiberglass exhaust mufflers

F.R.P. non-skid floors with rubber treads

Fresh water outlet

Fuel vent filters - Racor marine version MA filters

High water bilge alarm

Manual bilge pump

Pressured fresh water system with Head Hunter pump

Racor Dual 1000FG fuel filters for each engine - Crossover system

Racor fuel filters for the generators

S.S. engine mount bracket system S.S. rudders and rudder posts

S.S. safety grab rails around engines

S.S. rudders

Under water exhaust system with bypass to transom

Painted bilge

## **Electrical System**

Northern Lights 20KW/240/120V/60Hz generator with sound shield

Northern Lights 16KW/240/120V/60Hz generator with sound shield

Air/water separators mufflers for the generators

Complete AC/DC breaker/distribution panel with lighting located at pilothouse starboard side 1 x 24V - 12V converter

1 x Master Volt MV 24/60-3 battery charger - Engine start bank

1 x 24VDC battery charger

1 x Master Volt 12/35-3 battery charger - Generators

10 X 115AH AGM batteries w/box for house bank

4 X 200AH Cat batteries w/box 2 x per engine for start bank 2 X 100AH Generator start batteries w/box

2 X 200AH CAT batteries w/box for windlass and bow & stern thruster

4 X Bilge pumps, automatic type - Johnson brand

4kw Magnasine Inverter/120A Charger with remote panel

120VAC outlets throughout -Vimar

2X 240/120V/50A Glendenning cabledmaster systems

Aft high bilge water level alarm with warning panels in P/H and F/B

Battery selection switches for the House-Engine-Generator-Inverter battery banks w/emergency switch Bonded electrical system

Camera monitoring system (GARMIN) 2 - engine room, 1 - at aft deck under hardtop Color coded  
AC & DC wiring system  
Dimmer switches for pilothouse, flybridge, salon, owners and VIP staterooms  
Fuel & water level indicators - Wema brand  
GFCI outlets - Vimar Holding tank level monitor  
LED overhead, courtesy & task lighting throughout  
Navigation lights (Aqua signal)  
Starboard pilothouse shore power inlets - 2X 240/120V/50A & 1X 125V/30A  
Shore power protection system - galvanic isolator  
Shore power selection switch  
USB charge ports throughout

### **General Equipment and Options**

316L Grade S.S. oval handrails on the main and flybridge decks  
316L Grade S.S. for mooring cleats, chocks & anchor roller  
2 x line cutters installed in front of the stabilizer fins  
Air-Conditioning reverse cycle system - chilled air type (Marine Air)  
Aircraft style doors in the pilothouse  
Bosch Washer and Dryer (or similar quality) - located in the foyer area  
Canvas covers for the pilothouse windshield  
Central vacuum system with 5 outlets  
Detailed owners manual with drawings  
Diesel heating system - Olympia brand or similar - hydronic system Dockside water pressure connection  
Door locksets, drawer latches & overhead light fixtures - Chrome finish  
Exterior main & flybridge deck and Cockpit LED Lighting  
Frameless windows  
Fresh water deck wash downs at forward, aft and flybridge  
HDMI Cables pre-wire for satellite  
Limited five year hull structure warranty  
Manufacturer's limited one year warranty on machinery and equipment  
Salt deck wash downs at forward anchor locker and aft (Head Hunter pump)  
Search light with 2 x remote control stations - P/H & F/B  
Ship lighting & bilge pump systems indicator panel located in the Pilothouse  
Stabilizers: ABT Hydraulic 7.5' Fins  
Stainless steel portholes with screens  
Swim platform with removable 2.5"Dia S/S guard rails  
Tecma toilets  
Thrusters - Side Power - Electric 24VDC 15HP S-Link Proportional Control bow & stern thrusters Transom door - FRP covered stainless steel aircraft style door  
Trim tabs - Hynautic brand

TV/Cable & Phone inlet - Marinco PH6594 TV-SS

Underwater lights - 5X total; 3X across the transom and 1X port & stbd aft hull sides

Water maker - Prep only. Includes thru-hull/sea trainer, panel break and wiring

Electronics: See Navigation equipment list

Custom Diamond Pattern on Cabinet & Interior Doors

### **Canvas Package**

P/H windshield cover, F/B helm cover, aft deck wind screen clear panel installed between the two stainless steel bridge support posts. **Décor**

Furnishings, soft-goods (bedding, towels & carpeting), dinnerware and installation costs.

### **Navigation Equipment**

Electronics - Garmin 7600 series - radar, chart plotter, touch screen monitors, autopilot,

Dpt/Speed/Temp, GPS, VHF radio X 2, AIS & Magnetic Compass. **Specifications and Price**

**Subject to Change Without Notice.**

### **Additional Comments**

The **Hampton 650** has proven to be another very successful pilothouse from Hampton Yachts. It has garnered the attention of clients whom have admired the company's pilothouse cruiser series, but found the 680 & 740 a bit more yacht than they needed and wanted a little more room than our 580 model. The H650 with all its great features such as the covered side & aft decks, the "Full-Beam Owner's suite" and the spectacular open salon & pilothouse arrangement combine to make the Hampton 650 a great destination place where family and friends can join together for some great cruising and relaxation.

"Experience the Difference a Hampton Yacht Can Make in Your Life".
