Overview

The Hatteras 45 Convertible began life in 1984 as simply an enlarged version of the previous Hatteras 43 Convertible. The 45 kept the popular two-stateroom floorplan of the 43 intact and used the additional hull length to create a bigger and much improved fishing cockpit- something the 43 sorely lacked. A durable and popular boat. Teak Interior Joinery, a transom door, and flybridge seating for a small crowd. (Powerboat Guide)
