16V2000M94  
Inboard  
2600HP  
Fuel: Diesel  
Hours: 1825  
Hours Date: 04-09-2020  
Year: 2014  
Serial #: 516100642  
Location: Starboard

## Summary/Description

### For Sale

This 2014 70 Viking Convertible Yacht, "Load N Go", represents what an elite 70 Viking with a very aggressive asking price has to offer. The 70 is undoubtedly one of the best all-around models Viking has ever built. Load N Go is enriched with very compelling attributes encompassing remarkable, tasteful, and elegant. Spec'd and built with intense attention to detail, nothing about Load N Go was an afterthought. It is one of the few 70s built with the performance package and all eyes focused on speed and efficiency. It is arguably one of the fastest 70s ever built with a PBT Half Tower incorporating weight-saving carbon fiber features. This vessel was built with the additional fuel package allowing the Load N Go to maximizing fuel capacity and still having a proper Seakeeper 26 installed at the factory during her extensive build. She boasts the preferred forward VIP crossover stateroom, custom backlit Channel Glass backplash, and upper dinette bulkhead. The cockpit is outfitted with max cockpit refrigeration, Cool Breeze Mezzanine AC, and a Release Marine Trillions fighting chair. Her salon sports granite throughout and an interior teak trim package including crown molding, solid shower door trim, salon teak headliner strips, and much more. Load N Go is meticulously maintained by a professional captain and crew 365 days of the year. She stays in immaculate condition, making her a pleasure to show and talk about. Load N Go has the right amount of low hours on upgraded 2600hp MTU M94s. If you are a 70 Viking aficionado or on the hunt for a well balanced and well-appointed 4 stateroom 70-foot class rocket ship, this one owner convertible is for you.
