54' (16.46m) 2015 Azimut 54 Flybridge  
Miami Florida United States

## OVERVIEW

Manufacturer:	Azimut		
Engines:	2 Volvo	Hull Material:	Fiberglass
Engine Model:	D11B1A MP	Cruise Speed:	24 Knots
Engine HP:	725	Max Speed:	30 Knots
Beam:	16' 3"	Cabins/Heads:	3 / 2
Max Draft:	4' 5"	Fuel Type:	Diesel
Water:	156 G (590.52 L)	Fuel:	618 G (2339.38 L)

**\$884,000**

## Data Sheet

Category: Flybridge  
Subcategory: Motor Yachts  
Condition: Used  
Model Year: 2015  
Beam: 16'3" (4.95m)  
Max Draft: 4' 5" (1.35m)  
Min Draft: 3' 3" (0.99m)  
LOA: 54' 9" (16.69m)  
LWL: 43' 1" (13.13m)  
Cabins: 3  
Single Berths: 1  
Twin Berths: 2  
Double Berths: 2  
Heads: 2

Crew Cabins: 1  
Maximum Speed: 30 Knots  
Cruise Speed: 24 Knots  
Fuel Type: Diesel  
Hull Material: Fiberglass

Gross Tonnage: 41  
Displacement: 56000 lbs  
Stabilizer Brand: SeaKeeper  
SeaKeeper: Yes  
Bow Thruster: Yes  
Fuel Tank: 618 gal (2339.38 liters)  
Fresh Water: 156 gal (590.52 liters)  
Holding Tank: 59 gal (223.34 liters)  
HIN/IMO: XAX54146I415  
Stock #: BR2910-BK

## Engines/Generators

### Engine 1

Volvo  
D11B1A MP  
Inboard  
725HP  
Fuel: Diesel  
Hours: 341  
Serial #: 7011320744  
Location: Port

### Engine 2

Volvo  
D11B1A MP  
Inboard  
725HP  
Fuel: Diesel  
Hours: 341  
Serial #: 7011329271  
Location: Starboard

### Generator 1

Kohler  
20EOZD  
20KW  
Hours: 216

## Summary/Description

For Sale

"Acoran" is a 2015 Azimut 54 Flybridge Motor Yacht located in Miami Florida, and is loaded with options like Sea Keeper, a full teak package, hydraulic lift, joystick control, SAT DSS TV, and Volvo D-11 725HP engines with 300 hours and remaining Volvo 5 year Diesel extended warranty till 11/2020! Acoran offers a great 3 stateroom, 2 head layout, a large salon area with pull out couch for convertible sleeping when needed, and entertainment spaces like the large flybridge area with lots of seating, opening sun roof, and wet bar area with sink and fridge. She has neutral interior style with Zembrano wood and light color leather couches and seating.

### Recent Services and Notable Upgrades Include:

- Bottom paint February 2020
- Oil change February 2020
- Volvo 5 year warranty with 5 year Diesel extended warranty till 11/2020
- New batteries
- Water maker- never been used
- Additional LED lighting inside
- Life raft with hydro static opening system
- Yacht controller remote docking system

Contact us today to schedule your showing!

## Upgrades

- Water maker- never been used
- Additional LED lighting inside
- Life raft with hydro static opening system
- Yacht controller remote docking system
- Volvo 5 year warranty with 5 year Diesel extended warranty till 11/2020
- Bottom paint and oil change in February 2020
- New batteries

## Base Options

- Barbecue on flybridge
- Cockpit chair (each)
- Cockpit table
- Deluxe saloon door curtain sliding rails
- Hardtop
- Hi-lo system for TV
- Icemaker in cockpit
- Mosquito nets for portholes

  - 1 "C" shaped sofa for 4 people on the starboard side of the dinette
  - Rectangular table in dinette for 6 people. The central part of the top can be removed and stored in the compartment below the aft sofa cushions
  - TV system with aerial, sockets in saloon and owner's cabin
  - Below deck accommodation ladder with carpeted steps
  - Ceiling and wall upholstery: 2 tone fabric
  - Roman blinds for stern windows and sliding blind for saloon door
  - Carpeted floor
- Galley
  - Floor in oak with tobacco-colored staved finish
  - Silestone Blanco city worktop and splashback
  - Glass-ceramic range with 3 aligned plates and pan holder
  - Hood installed in the wall unit above the range, with active carbon filters

- Microwave oven + grill
- Sink
- Fridge + upright freezer
- Electric window

## Corridor

- Below deck access corridor with carpeted floor
- Spotlight lighting
- Beige bulwark upholstery
- Corridor grabrails

## Master Stateroom

- Located in the middle of the boat
- Diagonal double bed with headboard on starboard side. Manual tip-up mechanism with storage space below.
- Oak headboard that can be opened to access the cabinet
- Vanity table with sofas on the left side
- 2 wall units
- Drawer unit with 1 drawer
- 2 wardrobes with hanger bars
- 1 wardrobe with shelves
- Shelf around the bed
- Spotlights and lighting strips on ceiling
- 2 openable portholes (rectangular portholes inserted in the windows)
- 3+3 rectangular hull windows
- Hatchway: emergency exit from the ceiling panel above the bed
- Direct access to the head from the corridor leading to the owner's cabin with internal stairs
- Mirror on the vanity table
- Mirror in the stern wardrobe
- Wooden Venetian blinds on the windows
- Fabric wall upholstery and oak wood paneling
- Fabric ceiling panels
- TV system in owner's cabin

## Master Head

- Located prior to the owner's cabin on the port side (under galley). Access from owner's cabin (via ladder).
- Oak top and oval washbasin cognac (brown) Vetro Freddo
- TECMA toilet
- Chromed mixer tap
- Separate shower enclosure; flat shower door
- Shower column and seat in mat ABS
- Wall unit with 2 sliding panels above washbasin
- Ivory-colored ceiling panels
- Lighting: ceiling light on wall unit, and spotlights in the shower
- 1 openable porthole with wooden Venetian blinds
- Floor in oak, with grating in solid wood
- Head extractor: forced intake (from the shower ceiling panel)
- Air conditioning delivery from owner's cabin
- Head accessories

- 1 toilet brush holder
- 2 clothes hooks
- 1 glass holder
- 1 toilet roll holder
- 1 towel rail
- 1 plexiglass soap in shower

## VIP Stateroom

- Fixed double bed
- Fixed oak headboard
- 2 wall units above the windows
- 1 wardrobe with hanger bar on the port stern wall
- Shelves on bulwark (bed side)
- 2 under bed lockers
- 2 wall lights on headboards
- Spotlights on ceiling
- Direct access to guest head
- Carpeted floor
- Windows
- Hatchway
- Wooden Venetian blind
- Fabric bulwark upholstery
- Ceiling panels: oak portal, mat ivory GRP ceiling panel with fabric panels above the bed.

## VIP-Guest Head

- Positioned aft of the VIP cabin on the port side
- Direct access from the VIP cabin or from the corridor
- TECMA toilet
- Oak top and oval washbasin cognac (brown) Vetro Freddo
- Chromed mixer tap
- 3 door round shower, not separated
- Shower column in mat ABS
- Wall unit with 2 sliding panels above the washbasin
- Lighting: ceiling light on wall unit, and spotlights in the shower
- 1 openable round porthole with wooden Venetian blinds
- Floor in oak, with grating in solid wood
- Natural air extractor
- Air conditioning delivery from VIP cabin
- Head accessories:
  - 1 toilet brush holder
  - 2 clothes hook
  - 1 glass holder
  - 1 toilet roll holder
  - 1 towel rail
  - 1 plexiglass soap in shower

## Starboard Guest Cabin

- 2 single beds, fixed

- Headboard with oak panels
- 1 central nightstand between the beds (with openable compartments)
- 1 wardrobe with hanger bar and shelves
- 3 under bed lockers
- Ceiling panels: oak portal and ivory GRP ceiling panel with fabric panels
- Fabric wall upholstery (with oak and fabric paneling)
- 1 openable round porthole
- Wooden Venetian blinds
- Flooring: carpet
- Lighting: spotlights
- 2 wall lights on headboard

## Wheelhouse

- Electric helm seat with 2 places (reversible seat for use with dinette too)
- Electric window
- Adjustable steering wheel
- Bow thruster control
- Electronic remote controls
- Trim tab switches
- Trim tab indicators
- Bow anchor winch activation
- Horn, navigation light, wiper switches
- Activation of bilge pumps
- Side window opening
- Emptying of black and gray water tanks
- Engine rooms ventilation
- Cigarette lighter socket
- Shore power socket indicator light
- Chain wash pump switch
- Level gage for diesel tank, black water, gray water and fresh water
- Engine start-up
- Rev counter
- Hour counter
- Engine pressure gauges and thermometers
- Ammeters
- Alarm indicator lights

## Flybridge

- The large flybridge can only be accessed from the outside (ladder from cockpit, port side)
- GRP cockpit stairs with 6 steps
- External step flooring: teak
- Non-slip floor
- Access door: Watertight in aluminum and Plexiglas
- Smoked Plexiglas windbreak with stainless steel and aluminum frame
- Rollbar in GRP and inserts in non-transparent mirrored glass
- Handrail NMMA compliant stainless steel
- Bow sundeck
- Steering gear:
  - Bench with manual sit tip-up mechanism to raise the height

- Adjustable steering wheel
- L shaped sofa joining with the sundeck
- Teak table with central stainless steel leg
- 1 bow locker
- Garbage bin concealed in cabinet
- Washbasin
- Manual spotlight
- Stainless steel light mast
- Self-inflating life raft: flybridge astern on port side
- 2 loudspeakers connected to the salon radio
- The wheelhouse includes:
  - Main engine instruments
  - Alarm indicator lights
  - Engine start-up controls
  - Bow anchor winch controls
  - Horn control
  - Trim tab control
  - Bow thruster control
  - Adjustable spot activation
  - 12V socket
  - Chain meter counter

## **Cockpit, Aft Storage and Swim Platform**

- Cockpit
  - Cockpit access via stainless steel and plexiglas gate
  - 2 stainless steel T-head bitts
  - Warping station: max dimensions 1230x210
  - Aft stainless steel left/right chock
  - Vertical double door in stainless steel and tempered glass
  - 4-seater C-shaped cockpit bench in GRP, integrated in the deck
  - Cockpit bench cushions
  - 1 locker in the port deckhouse column
  - Engine room access via hatch in cockpit bench
  - Teak floor
  - Curved handrail on stern platform
  - Handrail on flybridge access stairs
  - Handles on the cockpit bench armrests
  - Lighting: spotlights in cockpit ceiling panel
  - Shower head with hot and cold water
- Aft storage in cockpit
  - Access from cockpit bench
  - Located: aft under seating
  - Lockable deck hatch from the cockpit
  - Custom storage and shelving
  - Access to the seakeeper
  - Access to aft bilge equipment
- Swim Platform
  - Stern platform lights
  - Teak floor

- Stainless steel telescopic swimming ladder

## Bow and Walkways

- Bow
  - Anchor chain and fender locker with water drainage
  - Delta 25kg galvanized steel anchor
  - 75m high resistance gaged chain
  - Bow roller
  - Winch 1700W 24V
  - 2 stainless steel bitts L. 300mm, oval tube
  - Sundeck area with non-skid finish
  - Chain wash pump
- Walkways
  - Filling with Diesel refill caps
  - Filling with freshwater: 1 "water" refill
  - Blackwater outlet: 1 "waste" outlet
  - 2 stainless steel bitts
  - Non-slip floor
  - Flybridge side handrail
  - Fender holder: in stainless steel and high resistance PVC. almond-shaped section
  - Pulpit

## Electric System

Main characteristics: The main panels are installed in the wheelhouse, above the galley fridge, in the engine room, and in the crew cabin. The power circuit breakers protecting all the 24V utilities are in the wheelhouse. In the galley (above the fridge) there are other power circuit breakers that protect the various 220V AC utilities, as well as the 220V AC shore or generator source selectors; the 220V power circuit breakers for the air conditioning system are also located here. On the main panels in the engine room and crew cabin, you will also find additional power circuit breakers for the various 24 DC utilities.

- Shore powered power supply
- Onboard voltages:
  - 220V-60 Hz
  - 24V DC
  - 12V DC
- Galvanic current insulation
  - Zinc cathodes
- Generator
  - A 20KW 60Hz generator is provided
- Shore power sockets
  - 1 socket, 50A, astern
- Batteries
  - Set of 6 batteries 24V 270Ah, for services
  - Set of 4 batteries 24V 180Ah, for engines
  - Battery 12V 70Ah, for generator
  - Electronic battery charger 50A (220/110V)
  - Battery charger for generator 10A (220/110V)
  - STD AC sockets: EU type
  - DC sockets: cigarette lighter type (wheelhouse, flybridge)

- Lights and sockets
  - Electricity sockets of the SICURY 2P + G 16A-250V type- multi standard, Italian- German.
  - 24V lighting
  - 24V watertight external lights

## Other Fluid Systems

- Bilge system
  - 3 electric pumps 24V (bow, engine room, crew cabin)
  - 1 supersub smart 650 electric bilge 24V
  - 2 manual emergency pumps
  - 3 level alarms
  - Rapid pumping of engine room via engine water pump
- Fuel system
  - 2 connected tanks of 1170 l each in aluminum
  - Electronic gage in wheelhouse (port tank)
  - Optical gage on tank (starboard tank)
  - 2 single filters for engines + 1 filter for generator
  - 2 inlets for walkway
  - 2 vents for bulwark
  - Remote diesel shut off via 24V solenoid valve
  - Fuel drawing tap on port tank
- Freshwater system
  - A 590 l polyethylene tank below the cabin descent ladder (access area) (aft tank). With an aluminum frame and FRP cradle
  - Water filling on starboard side walkway
  - Level sensor with electronic gage in wheelhouse
  - 1 tank discharge on the bulwark
  - Water pressure pump in the engine room
  - 60 l water heater in engine room, above the air conditioning compressor
  - Suitable for water supply connection direct to pier
  - Hot/cold water pipe: heads, galley, swimming platform showed head cold water only in flybridge washbasin; cold water only in engine room
  - Freshwater toilet flushing
  - System that can be divided by ACORN manifolds
- Blackwater system
  - 175 l polyethylene tank below the VIP cabin (fore tank)
  - Level sensor (2 levels)
  - 1 tank discharge on bulwark with anti-odor filter
  - 1 FEIT PVM 0.2 macerator pump
  - Intake from deck walkway
  - Tecma toilet (with macerator pump). All toilets discharge into a tank
  - Sea outlet from tank (manual only)
- Gray water system
  - 175 l polyethylene tank located under accommodation corridor (central tank)
  - Gray water directly into the sea from bulwark raisers
  - Level sensor (2 levels) with alarm indicator in wheelhouse
  - Water discharge: from tank (automatic/ manual)
  - Diaphragm pump
  - Fancoil condensation discharge into collection tank

- Seawater system
  - Engine cooling system: 2 dynamic seawater intakes 2.5" with filter and valves
  - Generator cooling system: submerged outlet: 1 dynamic 1" seawater intake with filter and valve Air conditioning cooling system: submerged outlet: 1 dynamic 1" seawater intake with filter and valve
  - Chain wash pump: seawater
- Engine gas exhaust system
  - Gas exhaust system: immersed bypass
  - Insulated stainless steel raisers
  - Exhaust pipes: structural muffler in GRP
  - Water/ fumes separator for generator, with side exhaust
