Engines/Generators

Summary/Description

This yacht would make the perfect world cruiser or a great live-aboard and there is a great complement of spares. Owners willing to consider all offers. Call for more information or to schedule a showing!

This high-end custom built ketch was one of the best designs from the famous yacht designer, Bruce Roberts. She was built by the renowned Jomar Company of Santa Ana, CA. The classic interior woodwork is absolutely stunning and makes each of the staterooms feel exceptionally spacious and warm.

The center cockpit makes for easy handling in all conditions. The current owners take her out monthly, but are searching for a larger vessel. Complete service records are available upon request.
