Summary/Description

The Carolina Classic 28 is a sturdy, strictly-business fisherman with clean lines, and a deep-V hull. Construction is solid fiberglass, and her 10'6" beam results in a very roomy cockpit. It has a surprisingly complete cabin below with a big V-Berth, stand-up head with shower, a compact galley with

The Carolina Classic 28 is a sturdy, strictly-business fisherman with clean lines, and a deep-V hull. Construction is solid fiberglass, and her 10'6" beam results in a very roomy cockpit. It has a surprisingly complete cabin below with a big V-Berth, stand-up head with shower, a compact galley with Corian countertop, microwave, and teak-framed cabinetry. Easy-access engine room (the entire bridge deck raises at the push of a button.) The cockpit has plenty of room and includes a pair of in-deck fish boxes, gunnel rod holders, a transom livewell, and fresh and raw water washdowns. Additional features include side-dumping exhausts, wide side decks, high gunwales, and a well-arranged helm with flush-mounted Garmin 7607 electronics with Radar, Chirp Fish Finder, Radar and Auto Pilot. The Volvo Engines have 1300 hours and the 1000 hour service was performed Spring of 2020.
