## Summary/Description

### For Sale

This 2008 Maritimo 52 motor yacht, Irish Princess is one of the most sought after yachts in the Maritimo lineup. The Maritimo 52 is a go anywhere yacht, built in Australia and is most sea kindly and quite comfortable underway or at rest. This 2008 52 Maritimo, Irish Princess, has redundant systems plus many custom options. Irish Princess has low hours on its Cummins QSM11s and current maintenance. She has long range tanks for serious cruising and is easy to dock w/bow and stern thrusters. The 52 Maritimo yacht is designed with a fully enclosed flybridge accessed via an interior staircase. Three staterooms and two heads provide generous accommodations for owners and guests.

### Key Features, Options and Upgrades Include:

- Twin Cummins Diesel Engines, Up-to-date on Service
- Cockpit and Aft Balcony Engine Controls in Addition to Helm Controls
- Bow and Stern Thrusters, with Remote Control
- Interior Staircase to the Bridge
- Fully Enclosed Fly Bridge
- Juliet Balcony Aft of the Bridge
- Reverse Cycle Air-conditioning Including a Dedicated Unit for the Bridge
- 3 Staterooms, 2 Heads both with Stall Showers
- New Carpet (2016) with Carpet Covers
- Cockpit BBQ and Refrig/Freezer
- Additional Freezer in Lazarette
- Water Maker
- Bottom Freshly Painted June 2018
- Davit and NEW (2017) Tender
- Props Reconditioned July 2020
- Cutlass Bearings (NEW 7/20)

## VESSEL WALK THROUGH

The large cockpit of this yacht is situated on the same level as the galley and salon, and is covered in teak planking. This area includes a transom grill and refrigerator/freezer, dual walkways aft to the integral swim platform, and access to the engine room and lazarette.

From the spacious cockpit, sliding glass doors lead from the cockpit to a starboard side aft U-shaped galley and spacious salon area forward. The aft deck sliding doors open to port or starboard allowing traffic to flow as needed. The galley is fully equipped and central to the cockpit, bridge stairs, and salon. Moving forward, the salon is light and open with glass on all four sides. It features 2 separate settees, dining table, entertainment systems, as well as a starboard side door to access the foredeck.

One of the unique features of the Maritimo is the interior stairs to the enclosed bridge/skylounge. The enclosed bridge, with reverse cycle air conditioning, allows for the family and guests to cruise together in comfort and quiet. There is great visibility all around plus opening windows and an overhead hatch. The bridge helm has full electronics and two Stidd seats. For guests, the upper salon is equipped with a settee and table, refrigerator and wet bar, and television. There is a wonderful Juliet balcony, or "back porch", off the aft bridge, accessed via a glass door. Another engine control is situated here as well.

Continue forward and down from the salon to the master stateroom to port with island berth, ensuite head and stall

shower. The additional VIP guest stateroom is located all the way forward with a centered queen sized bed and includes a private entrance to the guest head. This head and stall shower is shared with the third guest stateroom, with double bunks which lies aft to starboard. There are overhead hatches in each stateroom and each head.

The foredeck is home to the davit and dinghy and appropriate anchoring equipment. It is accessed via wide secure side decks with high bulwarks and stainless railing.

## **GALLEY**

The aft galley with sliding glass doors to the cockpit is ideal for entertaining and cruising. Located between the cockpit and the salon, at the base of the internal stairs to the enclosed bridge, the galley is in the center of everything happening on the boat. It is positioned to serve forward to the dinette, aft to the cockpit or up the stairs to the bridge. It is well equipped and easy to use. The storage area under the stairs houses the icemaker and bar amenities.

- Refrigerator/Freezer, No-Frost (NEW 2014)
- Microwave/Convection Oven
- Electric Stove, Three Burner
- Overhead Vent with Light and Fan
- Dishwasher, Fisher-Paykel
- Counters, Solid Surface with Back Splash
- Sink, SS with Telescoping Faucet
- Water Filtration
- Ice Maker, U-Line
- Dockside and Pressure Water Systems
- Drawers and Cabinets
- Pull Out Pantry
- Wood Flooring w/Cover
- Cockpit Doors, Sliding, Lockable w/Silhouette Blinds

## **SALON**

The salon is the main interior entertainment area with the open galley at the aft end. There are windows and doors all around for nearly 360 degree visibility. The beautiful satin finish myrtle wood cabinetry and trim and the Ultraleather upholstery create a warm and inviting atmosphere. There are two L-shaped settees with storage under providing comfortable seating for eight. The starboard side settee also has a triangular shaped table that folds out for dining with seating for four. Entertainment is provided by a Bose Surround System and pop-up flat screen TV. Bar amenities include glass and bottle storage plus an icemaker.

There is sliding side entry door forward to starboard providing easy access to the foredeck and with a custom storage compartment next to it. The aft sliding doors open up the saloon deck to the aft cockpit for even more entertainment space. Opening side windows, a door forward to the side deck on the starboard side, and sliding glass doors aft allow the breezes to flow through when the weather permits.

- Settees, L-Shaped to Port and Starboard with Storage Under
- Dining Table, Expandable
- Flat Screen TV on a Lift
- SAT TV with 4 Receiver Hook Ups
- Digital TV Antenna
- Bose Surround Sound System with AM/FM/CD/DVD
- Forward Storage Lockers
- Internal Stairs to Enclosed Bridge
- Steps Down to Staterooms
- Starboard Door to Side Deck w/Blinds
- Opening Windows
- Silhouette Window Blinds
- Carpet (NEW 2016) w/Covers
- Central Vacuum

## ENCLOSED BRIDGE

Even after a long passage in rough weather, you will arrive feeling fresh and relaxed after a day at the helm in the fully enclosed heated and cooled fly bridge with matching captain and mate Stidd seats. You won't lack for company in this bridge salon equipped with settee, table, refrigeration and television. Three opening windows, a sliding door to the aft balcony and hatch overhead offer plenty of options for fresh air.

Through the enclosed bridge sliding glass doors, the upper aft deck will be your private balcony for you to relax and look out on the world around you, whether for coffee to watch the sunrise or your favorite beverage at sunset.

- Flybridge Four Side Glass Enclosure
- Opening Windows, Port and Starboard
- Windshield Opening Vent
- Overhead Hatch with Shade/Screen
- Dedicated Reverse Cycle Air Conditioning
- Helm Console and Stidd Helm Chairs (2)
- L-Shaped Settee, Converts for Sleeping
- Drawer Refrigerator
- Icemaker
- Wet Bar
- Flat Screen TV
- Clarion Stereo/DVD
- Carpet (NEW 2016)
- Inside Window Covers, Forward and Sides
- Sliding Glass Doors to Aft Balcony
- Engine Controls on Aft Balcony

## HELM AND ELECTRONICS

The helm is full equipped with instrumentation, gauges and electronics within easy reach.

- Cummins Vessel View Displays (2)
- Cummins Engine Controls at the Helm w/Sync
- Cummins Engine Controls Aft Balcony Port Side
- Thrusters Side Power Bow & Stern Thruster w/Remote
- GPS/Plotters, Raymarine E120
- GPS/Plotter, Garmin 7212
- Sirius XM Weather & Music on the Garmin (Sirius Contract Not Included)
- Radar, Raymarine Open Array
- Autopilot, Simrad AP 26
- Multi-Function Displays, Raymarine ST70 (2)
- VHF Radio, Icom M304 (2)
- Compass
- Horn, Electric Compressed Air
- Battery and Battery Charger for Helm Electronics
- Controls for Spotlight, Trim Tabs and Windlass
- Captain and Mate Ultraleather Stidd Seats
- Wood Tilt Wheel
- Windshield Wipers

## MASTER STATEROOM

Master stateroom is amidships to port with an in suite head and shower. The queen size bed is flanked by end tables with storage lockers overhead and out board. There are more storage and drawers beneath the bed which lifts on gas struts. There is also a hanging closet.

- Island Berth, Queen Size

- Storage and Drawers Under
- End Tables and Reading Lights
- Storage Lockers Overhead
- Hanging Locker
- Flat Screen TV (Displays Navigation Charts in Addition to TV Programs)
- DVD and Stereo System with CD
- Portlights
- Overhead Hatch

## VIP STATEROOM

This stateroom is forward with a center line berth with storage drawers under the foot and two lockers outboard plus two hanging lockers. There is in suite access to the guest head and shower.

- Island Berth, Queen Size
- Drawers Under
- Storage Lockers Overhead
- Hanging Lockers (2)
- Flat Screen TV
- DVD and Stereo System with CD
- Reading Lights
- Portlights
- Overhead Hatch

## GUEST STATEROOM

This stateroom is to starboard and has over under twin beds with storage drawers under the lower bunk. The washer/dryer combo unit is in a Locker.

## HEADS

Each head has a glass enclosed shower and the following:

- Tecma Electric Head
- Vanity with Sink and Storage Below
- Medicine Cabinet
- Overhead Hatch
- AC and Power Vent
- Waste Tank Monitor

## ENTERTAINMENT SYSTEMS

- Satellite TV, Intellian
- Digital TV Antenna
- Four Direct TV Receiver Hook Ups (Receivers Not Included)
- Bose Surround Sound Stereo System w/Ten Speakers
- Independent DVD/CD Input, AM, FM Radio, and iPod Docking in the Master, Guest and Bridge
- Stereo Speakers Independently Controlled in Cockpit and at Helm
- Four Flat Screen TV's: Salon, Master and VIP Staterooms, Bridge

## COCKPIT

The Maritimo lifestyle begins as soon as you step into the large secure cockpit. Sliding glass doors open directly into the aft galley and there is plenty of room for outdoor furniture. Built into the transom is an electric BBQ and sink with a large hinged lid as well as a large insulated freezer box that can be controlled to use as a refrigerator or freezer. This cockpit is not just for catching fish, it's great for cooking them too! Starboard and port transom doors lead to the large swim platform.

- Cummins Engine Controls to Port in Cockpit
- Entertainment Center Aft w/Grill, Freezer/Refrigerator & Sink w/Pressure H&C Water
- Two Stereo Speakers for Audio Entertainment
- Huge Lazarette for Storage and Additional Freezer
- Side Lockers for Line and Fender Storage
- Cable TV, Telephone and Water Hook Up
- Fresh Water Wash-Down
- Hot and Cold Pressure Shower
- Engine Room Access Deck Hatch
- Transom Doors, Port and Starboard
- Cockpit Spot Light from Upper Balcony
- Removable Awning Attached from the Aft Balcony
- Custom Rod Holders on Aft Rail and Side Gunnels

## ENGINE ROOM AND MECHANICAL

The engine room is accessed through a hatch in the cockpit. There is excellent access around both engines. Filtered air intakes through the cabin house rather than the hull sides dramatically reduce salt air in the engine room and results in reduced corrosion of all metal parts throughout the engine room. The single fiberglass fuel tank forms a structural water tight bulkhead forward in the engine room. Located on the center of buoyancy, the fuel level does not affect the trim of the vessel.

- Halon System, Automatic and Manual Override
- Delta T Engine Room Fans
- Dual Racor Fuel Filters for Each Main Engine
- Fuel Polishing System
- Fresh Water Pumps (NEW 8/17)
- Custom Engine Panel w/Analog & Digital Gauges, and Engine Stop/Start Controls
- Bilge Blowers and Pumps
- Oil Change System
- Fuel Level Calibrated Site Gage
- Proprietary Power Steering System from Maritimo Offshore Racing Team
- Reverse Cycle Air Conditioning, NEW Bridge AC-2/18
- Water Heater
- Water Maker
- Waste Tank (NEW-Replaced 20 Gal Tank with 55 Gal Tank)
- Macerator and Dockside Pump Out
- Spare Parts Supply Including Filters and Prop Puller

## ELECTRICAL SYSTEM

The AC and DC panels and all battery switches are conveniently located just inside the salon sliding doors on the port side at the base of the internal stairs to the enclosed bridge. The DC ships service is 24 volts. There are two 110v circuits powered by the 220v 50 Amp shore cord on a Glendenning cord reel or the Generators. The inverter and dedicated batteries provide AC power to engine room lights and outlets in each head and the galley.

- Generators, Two Onan in Sound Shield, 21.5kw and 13.5 KW w/Manual Switch Over
- 50 AMP Shore Cord w/Glendenning Cord Reel
- Charles ISO Shore Power Conditioner
- Battery Charger (2)
- Batteries, including Engine (4) Replaced 10/18
- 24v DC Electrical Panel in Salon
- All Battery Switches and Parallel Switches
- (2) 110v AC Circuits on Panel
- Generator Remote Panel AC and DC Engine Room Lighting

## DECK AND HULL

- Windlass, Muir
- Anchor Controls, Foredeck and Remote
- Dual Anchor Mounts
- Bruce Anchor w/All Chain Rode
- Fortress Anchor w/Chain and Nylon
- Two Deck Lockers Forward for Chain and Fender Storage
- Fresh Water Wash Down Faucet
- Davit Steelhead Swinging - 1000 lb. Rated
- Walker Bay Generation 360 Dinghy w/50hp Outboard Engine (NEW 4/17)
- Very Secure Walk Around Deck w/Robust Handrails
- Windshield Cover (NEW 1/18)
- Custom Side Deck Retractable Boarding Step Port and Starboard
- Integrated Swim Platform w/Swim Ladder
- Bottom was freshly painted in June 2018
- Underwater Lights
- Spare Props
- Props Reconditioned July 2020
- Cutlass Bearings (NEW 7/20)

## MANUFACTURER PROVIDED DESCRIPTION

From its ingenious design and thoughtful engineering to the swathe of lavish appointments from the water up, everything aboard the Maritimo 52 has been designed with one thing in mind - long-range luxury cruising. However, entertaining family and friends also comes naturally. On the main deck, rear doors slide right open to expose the cockpit, island barbecue and access to the swim platform while the flybridge is capable of accommodating as many guests as the salon - and has its own balcony. On a Maritimo, performance is also part of the entertainment. Open the throttle and the 52 eases quickly up to cruising speed. With engines positioned forward to give the shafts a minimal 9 degree entry, the five bladed props can attack the water at the most efficient angle. The variable dead rise hull ensures the transition to planing speed is effortless and the combined set-up delivers poise, balance and unrivaled fuel efficiency.
