## Engines/Generators

## Summary/Description

A very comfortable 2-stateroom/two-head layout. Tournament rigged cockpit. Same owner for over 22 years!

## Accommodations

A very comfortable two-stateroom/two head layout. A limited number of these were built with the same custom teak interior that DIASTOLE features. The salon offers a table with a large L-shaped settee to port, occasional chair, triangular shaped settee to starboard. The fully furnished galley is down to steps to port. The master stateroom starboard of the companionway and has a walk-around tapered queen bed, and ensuite head. The forward roomy guest cabin is starboard with two over/under bunks. The second head is just forward of the galley in the companionway.

## Master Stateroom

Located mid to starboard featuring a centerline queen berth with night stand, hanging locker, mirrored wall, and entertainment center. The ensuite master head is forward with a full-size shower and Raritan electric head.

## Guest Stateroom

The guest stateroom is forward with two-berths, over and under, to the starboard side, hanging locker, and AC SMX controls.,

## Guest Head

The guest head is to port with a stall shower, Raritan electric head, vanity, and mirror.

## Galley

The galley is two-steps down (mid -level) to port. Corian counter top with custom crafted cabinets and drawers. SubZero refrigerator/freezer, stove, stainless-steel sink, microwave/convection oven.

## Electronics

Custom flush mounted flush mounted electronics in an overhead radio box, and a flush console at the steering helm, and center helm with toggle switching for all accessories and starting.

- Furuno FR 7111 radar
- Robertson AP 300X autopilot
- Bennett trim tab indicator
- B&G Tri-data speed/depth/temp meters
- SEA 156 VHF
- Furuno color scope
- ACR remote search light
- SEA SSB radio
- Simrad GPS

## Electrical

The electrical panel is in the salon on the starboard side with circuit breaker, load meters, and voltage indicators.

Access to the flybridge wiring is excellent with a hatch in the helm on the side. The Northern Light generator is aft of the engines in the engine room.

- Northern Lights 12 kW generator
