Summary/Description

For Sale

This 2010 Tiara 3900 Sovran yacht, "Cuttin Up," is the epitome of a small yacht, large enough to host a large group of 10 or more, but small enough to anchor stern in at your favorite beach or sandbar. Bikinis and martinis, quiet anchorages, or long weekend getaways..."Cuttin Up" is a lifestyle boat. Her striking painted deep blue hull makes her stand out at any dock or anchorage. If that isn't enough, be the center of party activity by cranking up her stereo system. The ladies love to relax on the bow sun-pads. Guests can lounge in the ample seating areas to take in the activities or watch a football game on the cockpit TV. She is the perfect floating condo for a couple or small family. Her living area makes it a pleasure to be boating on cool days or even the hottest days of summer. She was purchased by her owner in 2017 and professionally maintained by the best yacht management company in Destin, Florida with an open checkbook. She has two (2) 32,000 BTU air conditioners and is ready for her new owner the extended boating season. The owners are reluctant to sell her, but they are moving up to a larger yacht.

"Cuttin Up" has Twin Volvo IPS 500's, the desirable DPS (Digital Positioning System) to hold the boat in position, a watermaker, SAT TV, custom stainless steel rail system on swim platform with rod holders, spare props, underwater lights, Raymarine hybrid touchscreen, and full navy enclosures to keep her beautiful while not in use. This boat is in excellent condition!
