Cummins
Fuel: Diesel

Summary/Description

Currently located at the desirable Marriott Marina downtown - slip may be available for transfer (pending marina approval). Preliminary photos don't do this vessel justice - more pics & details coming soon! Early bird will get this deal.

The Maxum 4600 SCB has an aerodynamic design that eases this graceful craft onto a plane quickly and smoothly. Superb tracking and a smooth, stable ride result in easy handling, comfort, and safety. The command bridge station features a double-wide adjustable helm seat plus 360-degree visibility for precision dockside handling. A fully functional entertainment center is conveniently located on the bridge and features a molded-in sink and faucet. The L-shaped lounge provides comfortable space for guests, with stowage under. The interior has abundant headroom, elegant detailing, and rich textures. There's Berber carpeting, Corian counters, and Ultra leather coverings. Muted colors and rich woods are accented with strategic lighting, and soft curves echo the sleek design of the exterior. The mid-cabin provides twin-size berths, a 110-volt outlet, and an illuminated cedar-lined closet

Walkthrough

Walking into the salon from the aft deck - to port is the breaker panel, entertainment center, and bar. Further forward is a well-equipped galley. To starboard, there is a comfortable leather settee lounge area, and further forward a dining table and settee combo.

Moving forward and down a couple of steps, you will find two staterooms and two heads - the guest room features two single bunks. The master stateroom features a must-have, walk-around queen berth, with an ensuite head - complete with separate shower and bathtub!

The flybridge is an entertainer's delight, with plenty of seating, lounge areas and wet bar withing arms reach.
