## Engines/Generators

## Summary/Description

The Lancer 22 Rumble is an exciting new boat from Chris-Craft that demonstrates the company's innovation and style. This 22-foot boat features a 2-person seat in the middle of the front deck similar to classic rumble seat boats from the past, but this one has a very modern twist.

The Lancer 22 Rumble is an exciting new boat from Chris-Craft that demonstrates the company's innovation and style. This 22-foot boat features a 2-person seat in the middle of the front deck similar to classic rumble seat boats from the past, but this one has a very modern twist. The Lancer has an electric key fob with a button that, when pushed, reveals a roomy seat. When the front deck is closed, the Lancer has the same beautiful lines as the Speedster and Corsairs, Chris-Craft's range of closed-bow boats. The Lancer 22 Rumble provides comfortable seating for seven guests.
