Overview

Entertainment is serious business on the Astondoa 80'. The entire flybridge is built around the concept of hosting guests effortlessly and in style. It has luxurious sunbeds, lounge seating, dining table, a full galley, wet bar and barbecue grill. The innovative retractable sunroof provides shade or more cool breezes to suit changing conditions throughout the day. The upper helm station with double captain chairs is also located on the flybridge.

Interior Features

Customizable interior layouts and furnishings ensures that every inch of space is utilized well and reflects the owner's personal style. The standard styling is based on a neutral palette ranging from white to taupe, featuring plush leather sofas, natural wood carpentry and polished stainless steel accents. The main dining table can easily adapt to suite the occasion, seating up to eight guests. The saloon opens up completely, through a triple-pane glass door, creating an extension of the deck.

From concept to completion, Astondoa focuses on optimizing space, light and ergonomics. The 80' Flybridge has two distinct design features: large, wrap-around windows and a layout that has no steps between the lounge area and galley. Intelligent planning enables owners, guests and crew to move around the yacht fluidly - on the exterior decks and the interior environment.

Exquisite care goes into each detail with the aim of making life onboard extremely comfortable and enjoyable. Ample natural light, spectacular views and contemporary design make the living spaces onboard feel even more open and vast.

The layout configurations are customizable and can accommodate up to eight guests overnight. One configuration includes four guest staterooms on the lower deck. The master cabin stretches across the 19.69 ft full beam and has a king-sized berth, large bathroom with his and her heads and walk-in closets. Each en suite cabin has all of the features and amenities needed to make your stay unforgettable.

Engines

Sporty performance is a signature of the Astondoa 80' Flybridge model. Twin MAN 12V-1550 (1550 HP) diesel engines come standard on this model. They deliver reliable power for a comfortable cruising speed of 26 knots and top speed of 32 knots.
