Summary/Description

Balla McCra is a beautifully well built Custom Carolina sportfisherman by Sunny Briggs. This spectacular vessel was constructed without a budget.

Vessel Walkthrough

Entering the salon you will find a large spacious layout with beautiful wood finishes, two custom leather sofas, and a large teak coffee table. Moving forward to the galley, this area has custom stone counter tops, a custom bar top with high polished stainless steel bar stools, roomy custom refrigeration drawers, and freezer space. Moving down the companionway to the port are two over/under berths with personal TVs and receivers. Continuing forward to starboard is the master suite with a full size queen berth, dressing area, and love seat. The master also houses a full ensuite head with shower, teak vanity, and onyx counter tops. Next moving forward is the day head with a full shower. Forward to the bow area is the forward stateroom with two spacious over/under berths. This room is very private for a couples excursion.

Broker Remarks

Balla McCra is the perfect example of a well built custom Carolina boat. Sunny Briggs has been in the industry for over 40 years and has an immeasurable amount of experience in the build process. She was built without a budget in mind. Her hand crafted teak finishes and stone counter tops provide her with a lavish interior.

Balla McCra's current owner has taken her over the top to an even higher level of pristine condition and amenities. In the spring of 2019, she finished a complete make over and refit with upgrades including new Caterpillar power, new tower, full paint job with faux teak finishes, two Seakeeper Gyros, and a complete state of the art AV system and wireless network throughout. The refit was overseen by one of the top captains in the industry and the vessel is in like-new condition. His knowledge and experience brings this 56' Sunny Briggs to a top level fishing machine.

Disclaimer

The company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

Mechanical Disclaimer

Engine hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
