This 2020 Brabus Shadow 500 is built with the Axopar 28 T-Top and is powered by twin Mercury 250 HP Racing outboards. The Shadow 500 delivers quick acceleration, optimized hydro-dynamics, and carbon fiber reinforcements while still maintaining comfort and luxury for the entire family and friends.

This Shadow 500 features white gelcoat, Brabus Red upholstery and covers, and the Wet Bar package to entertain with a sink, refrigerator, counter space, and a storage cabinet. The helm includes Twin Garmin GPSMap 8412 touch screens, Mercury digital instrumentation, a leather steering wheel with the Intelligent Steering Module (ISM), a Brabus copilot grab rail, three cup holders, a catchall, a 12V charger, carbon fiber accents, a foot rest, a wrap-around windscreen, a captain's and a copilot seat, and a wrap around windscreen.

Forward of the helm, the head compartment includes an electric flush toilet, a sink, a mirror, storage space, and diamond stitch wall bolsters.

Other features include bow seating convertible to a sun bed, a removable bow table, black-coated side rails, a bow windlass and an anchoring kit, a canvas T-top with a black frame, four cockpit seats, Esthec decking, cockpit speakers, a refrigerator and a sink beneath the helm seats, starboard fender storage, navigation lights, and a swim platform and ladder.

We're proud to showcase Brabus Marine at all our Florida showrooms, including:

Dania Beach / Ft. Lauderdale, Palm Beach, Sarasota, and Tampa Bay.
