Unique Features

The 60 Cantius offers excellent performance with Twin Volvo IPS engines, precision handling and great fuel economy. A cruising speed of 28 mph uses 48 gph, wide open throttle at 40 mph uses 74 gph.

New technology allows you to sync your phone with your boat allowing you to use the digital switching from anywhere, or you can use the Garmin touchscreen at the helm.

The foredeck was designed complete with cocktail seating, tables, chaise lounges and sunshade. Additionally, the dual cockpit entry from either side of the transom makes it extremely convenient for the captain.

The spacious interior opens up to the water through a large, hinged stainless steel salon door and powered rear window. Excellent entertaining feature.

The helm, cockpit, salon and galley are all integrated on a single level on the main deck, this awesome layout makes entertainment effortless.

Designer features were created exclusively for those who can appreciate them such as, - Two-tone real wood interior - Salon wood floor - Wood bulkheads throughout - Designer fabrics/materials - Power blinds in master stateroom - Kohler faucets and shower heads

The luxurious master stateroom features a centerline berth and king bed with large hull windows for a great view.

Vesse Walkthrough

"SeaScape" offers an exceptional layout with the entire upper deck entertainment area on one level, for excellent entertaining. Everyone is on one level may it be on the aft deck, the open galley or a short stroll to the bow down the port or starboard walk around side decks.

The Master is down to the lower foyer where you have hidden behind doors the washer and dryer and just forward is a built in wine cooler. Entering the full beam master you have an very open feeling with hull side windows

A huge storage electronically accessed compartment accessible from the platform at all times makes an ideal location for lines and fenders.

The bow entertainment area offers a large sunbed or seating for multiple people protected by the removable sunshade while cruising up and down the intercostal with remote stereo controls

Having the galley aft makes for a social area offers a great indoor/outdoor location where you have access to your beverages and food at all times.

With the salon door fully open and the galley window folded away your salon transitions to a very open layout where you can entertain at multiple areas and still be together.
