## Summary/Description

### For Sale

This 2005 Sea Ray 420 Sundancer is for sale in Sarasota, FL. Her bold styling compared well with the best Mediterranean sport cruisers of her era, and a large cockpit and spacious interior made many of her European counterparts seem small in comparison. Built on a deep-V hull with prop pockets to level the engines, the luxurious two-stateroom, two-head floorplan of the 420 Sundancer is an impressive blend of high-gloss cherry joinery, Ultraleather seating, and designer fabrics. Privacy doors separate both staterooms from the salon, and the Sundancer's full-service galley includes an under-counter refrigerator/freezer in addition to Corian counters and hardwood flooring. Topsides, the entire cockpit sole can be raised at the push of a button for engine access. An extended swim platform, split forward head compartments, transom storage locker, and underwater exhaust system were standard. Don't miss your opportunity to own this beautiful yacht!
