Summary/Description

Delta 88 carbon is the flagship in the series of individual carbon fiber motor yachts built by Delta Powerboats. Pioneering design, outstanding hydrodynamic performance, luxury amenities, and impeccable craftsmanship enable the 88 to deliver the most memorable on-the-water experience. Her strong and light carbon fiber hull is paired with the latest IPS integration that drives the 80 ft yacht to a 39-knot top speed — with up to 40 percent reduction in fuel consumption and emissions. Joystick controls provide superb maneuverability and effortless handling when docking and underway.

Completed to an owner's specifications, the 88 carbon features a handmade Scandinavian-style interior highlighted by exceptional visibility, high-end finishes, and generous storage. Designed for owner operation or to run with a small professional crew, the 88 accommodates eight guests with a full-beam king-size master suite, a VIP- and two twin cabins along with crew quarters for two crew members. The large, versatile cockpit and exterior deck areas provide space to entertain guests and facilitate any on-the-water lifestyle activity.

Truly stunning and magnificently functional in all regards.

ACCOMMODATIONS / WALKTHROUGH

The spacious, bright, and airy accommodations plan is entered from the aft deck or concealed wing doors in the helm area. Starting aft on the main deck is the three-season room/cockpit dining and lounging space. Covered by a custom carbon ring frame with a removable soft canvas center with drop-down EZ2CY and sliding Lexan doors, this space can be fully enclosed from the elements or opened as desired. This concept is mimicked on the flybridge with soft bimini and full enclosure allowing for beautiful early spring and late fall New England Cruising. Quite notably, these fully custom additions to the flybridge and aft deck spaces can be restored back to the yacht's original configuration if the push button, limited cover awnings are found to be more desirable. This holds true for the additional awnings for the forward seating and lounging areas, however, once one experiences the transformation this yacht has gone through you will most likely find her amazingly enjoyable with her well-thought-out and executed upgrades.

Moving forward from the aft deck through stainless framed sliding glass doors one enters the main salon. The lighting, ambiance, and attention to detail highlight her Scandinavian heritage. She is simple, smart, and naturally aware of her exterior surroundings! Immediate comfort is offered by matched settees both port and starboard. These frame the lighting from the large picture windows on the house sides. For movie time, the large flat panel monitor drops down from the ceiling.

Moving forward in completely open floorplan styling one finds a very functional and professional galley to starboard and dining space to port. Further forward with a short step up, one finds the fully appointed and posh helm stations with three custom helm seats with bolster and additional seating to port with nav area to starboard. The well-positioned helm area. Starting aft on the main deck is the three-season room/cockpit dining and lounging space. Covered by a custom carbon ring frame with a removable soft canvas center with drop-down EZ2CY and sliding Lexan doors, this space can be fully enclosed from the elements or opened as desired. Moving forward from the aft deck through stainless framed sliding glass doors one enters the main salon. The lighting, ambiance, and attention to detail highlight her Scandinavian heritage. She is simple, smart, and naturally aware of her exterior surroundings! Immediate comfort is offered by matched settees both port and starboard. These frame the lighting from the large picture windows in the house sides. For movie time, the large flat panel monitor drops down from the ceiling.

Moving forward in completely open floorplan styling one finds a very functional and professional galley to starboard and dining space to port. Further forward with a short step up one finds the fully appointed and posh helm stations with three custom helm seats with bolster and additional seating to port with nav area to starboard. The well-positioned helm area offers form, function, and exceptional visibility to captain and guests.

One enters the accommodations deck from a centerline staircase. The master stateroom is the furthest aft and hosts a full-beam suite with settee to port, athwartship master berth to starboard, centerline pedestal with rotating lift TV, writing desk, large hanging locker, and stunning en-suite bath with stall shower and private WC.

Forward from the master stateroom are mirror image guest cabins with two single lower bunks and one optional upper bunk allowing accommodations for three in total. Both cabins have en-suite baths with large stall showers.

Prior to entering the VIP cabin forward one finds a day head to starboard. This day head is complete with a toilet, full-size washer and dryer, and vanity sink with ample storage.

Forward most is the exceptional VIP Cabin with queen centerline walk-around berth, hanging lockers, and en-suite bath with large stall shower.

SALON

- Woodwork in select grade teak, varnished in six layers
- Doors, front panels, and drawer panels made in ultra-light-weight foam and vacuum-applied teak veneer
- Roof panels in off-white Italian soft fabric
- Oiled teak flooring
- 2 x L-shaped leather sofas, seats approximately 12
- 2 x Leather side seats
- 2 x Teak salon tables
- 8 x OceanAir leather-covered, remote-controlled blinds
- 4 x Philippe Starck table lamps 220V
- 24 x Spotlights
- 1 x Bar locker
- 1 x Wine cooler for 20 wine bottles
- 1 x Samsung 55" TV
- 1 x Apple TV connected to onboard Wi-Fi and Mac mini
- 1 x Apple iPod with Control4 remote control for TV/sound/Blu-Ray
- 1 x Control4 Sound zone - Salon [radio/mp3/streaming from iPhone or onboard Mac mini]

- 6 x Sonance Sound roof-mounted speakers
- 1 x Future Automatics hi/low remote-controlled "TV-elevator"
- 1 x Blu-Ray player
- 1 x Opacmare custom made sliding aft doors
- 2 x Opacmare electrically locked pantograph side doors
- 6 x Side windows in 12 mm hardened glass
- 2 x 12V outlets
- 4 x 220V outlets
- 4 x USB outlets
- 6 x Air conditioning diffusers
- 1 x Delta Air 24V ventilation system

GALLEY

- Woodwork in select grade teak, varnished in six layers
- Doors, front panels, and drawer panels made in ultra-light-weight foam and vacuum-applied teak veneer
- Roof panels in off-white Italian soft fabric
- Oiled teak flooring
- Countertops in Corian
- 1 x Siemens five-burner cooktop with touch controls
- 1 x Siemens speed oven [oven/microwave]
- 2 x Siemens full-size [6 ft. tall] fridge/freezer
- 1 x Siemens dishwasher
- 1 x Stainless steel double sink
- 1 x Vola faucet
- 1 x Kitchen extraction fan, 220V with carbon filter + direct outside ventilation [not a recirculating unit]
- 1 x Nespresso machine
- 1 x Dualit 4 slice toaster
- 1 x set of stemware/glassware, all custom-fitted in cabinets:
- 1 x Set of cutlery and kitchen utilities, matched
- 1 x Set of pans and casseroles, matched
- 1 x Oversized trash compartment
- 1 x Standard trash compartment
- 1 x Safeguard around the stovetop
- 4 x 220V outlets
- 8 x Spotlights
- 1 x Courtesy lights
- 1 x Night light
- 1 x Fire extinguisher
- 1 x Fire blanket
- 1 x Fire alarm unit

MASTER STATEROOM, HEAD & CLOSET

Stateroom

- Woodwork in select grade teak, varnished in six layers
- Doors, front panels, and drawer panels made in ultra-light-weight foam and vacuum-applied teak veneer
- Woodwork in select grade teak, varnished in six layers

- Doors, front panels, and drawer panels made in ultra-light-weight foam and vacuum-applied teak veneer
- Roof panels in off-white Italian soft fabric
- Oiled teak flooring
- Miscellaneous storage and drawers
- 1 x 20cm thick mattress with Sunbrella interior cover
- 1 x 7cm thick makeup mattress with Sunbrella interior cover
- 1 x Leather sofa, seats three
- 2 x Custom made leather seats
- 1 x Make up table/work desk
- 1 x Isotherm marine refrigerator
- 1 x Combined glass/wine cabinet
- 1 x Concealed safe
- 2 x Samsung 42" TVs
- 2 x Custom made "TV-elevators" for both TVs
- 1 x Blu-Ray player
- 1 x Apple TV connected to onboard Wi-Fi and Mac mini
- 4 x Sonance Sound roof-mounted speakers
- 1 x Control4 sound zone - Owner's cabin [radio/mp3/streaming from iPhone or onboard Mac mini]
- 1 x Apple iPod with Control4 remote control for TV/sound/Blu-Ray
- 1 x Raymarine GS 12" touchscreen display for engine data, nav data, Genset and shore power status
- 4 x USB outlets
- 4 x 220V outlets
- 1 x Air conditioning diffuser

- 1 x Siemens Grill, 220V
- 2 x Storage lockers
- 4 x Sonance Sound outside speakers
- 1 x Control4 sound zone " Flybridge [radio/mp3/streaming from iPhone or onboard Mac mini]
- 1 x White painted Carbon fiber radar arch with attachments for radar/antennas
- 2 x High beam spotlights [work/security lights] in radar arch, 2 aft
- 10 x Courtesy lights

Newly covered with carbon ring frame, soft opening moon roof, and fully enclosed with hard sliding doors and hard poly drop panels if desired. A truly unique and transformed space with the addition of this three-season room. Beautifully crafted and installed by New England Boatworks to a very detailed specification by her owner. It should be noted, all

modifications were done with extreme care to allow the yacht to be taken back to her original configuration if the original open cockpit, push-button awning were found to be more desirable.

After a few hours in this space, you will find that it should remain as is. At the very least, the carbon roof assembly.

The cockpit also features a teak hi-low dining table, bench seating across the transom, and custom chairs to allow comfortable dining for eight guests.

Forward to starboard is a wet bar with storage and forward to port is a sculpted stainless-steel staircase to the flybridge.

The cockpit side decks allow easy access to the port and starboard steps down to the massive swim platform and tender garage.

ADDITIONAL EQUIPMENT

- 12 x Automatic life vests
- 2 x Life rafts, 8 persons each
- 2 x Jon Buoy, carbon fiber finish
- 1 x Set, flares
- 1 x Toolkit
- 1 x Set cordless drill
- 1 x Set first aid kit
- 1 x Set Volvo Penta spare parts
- 2 x Raymarine handheld VHF's
- 1 x EPIRB, fixed mounting
- 1 x Portable emergency bilge pump with 20m hose
- 12 x Custom made inflatable fenders
- 12 x Mooring lines in various lengths
- 1 x Spare anchor with 50m line

TENDER

- 1 x 12 ft William 385 Jet Tender 2014 w/ 2 stroke 100 HP

REMARKS

Delta 88 carbon is the flagship in the series of individual carbon fiber motor yachts built by Delta Powerboats. Pioneering design, outstanding hydrodynamic performance, luxury amenities, and impeccable craftsmanship enable the 88 to deliver the most memorable on-the-water experience. Her strong and light carbon fiber hull is paired with the latest IPS integration that drives the 80 ft yacht to a 39-knot top speed — with up to 40 percent reduction in fuel consumption and emissions. Joystick controls provide superb maneuverability and effortless handling when docking and underway. Completed to an owner's specifications, the 88 carbon features a handmade Scandinavian-style interior highlighted by exceptional visibility, high-end finishes, and generous storage. Designed for owner operation or to run with a small professional crew, the 88 accommodates eight guests with a full-beam king-size master suite, a VIP- and two twin cabins along with crew quarters for two crew members. The large, versatile cockpit and exterior deck areas provide space to

entertain guests and facilitate any on-the-water lifestyle activity.

This magnificent example has been used in the North East only for the past few years and stored inside a heated shed for the winter months.

Hull number two of the series she has been carefully upgraded to match the specification of a new order, including an integrated bow thruster and worldwide power converted from A/Sea.

Truly stunning and magnificently functional in all regards.
