Fuel: Diesel
Year: 2001
Location: Starboard

Summary/Description

For Sale

This 2001 43 Riviera "Cricket" has to be one of the cleanest and best detailed off all the yachts for sale anywhere in the World. The engine room is spotless, and all the canvas pieces appear as new. There is not one speck of rust anywhere. The engines were last inspected in January by Advance Diesel. The bottom was also recently painted, and everything on the boat works the way it should. Any observer would think the boat was brand new!

Vessel Overview

The 43' Riviera is extremely spacious for her length, having a large salon, plenty of space for the galley and two staterooms with two heads. Storage is ample from the cockpit right up into the forward stateroom. The beautiful white leather cushion for the salon sofa and dinette are like new. The woodwork is excellent, and the teak and holly floors show WONDERFULLY. The galley is just two steps down, separated from the salon by a wide counter top that has storage lockers underneath. There is more than adequate storage for all the galley gear. To starboard in the salon, there are two storage drawers. One Holds fitted glasses, and the other holding various sized bottles. There are also large windows with blinds that provide lots of natural light and great privacy at night.
