"No Ragrets" is a very clean well maintained Viking Sport Cruiser / Princess Yachts 65 Motoryacht. With timelessly graceful lines she turns heads in every port especially with her striking navy blue hull and gleaming white topsides. "No Ragrets" has seen constant updating including recent MAN service, all new exterior upholstery, updated Garmin electronics, new teak on her swim platform and flybridge stairs, full color range LED lighting on her hardtop and aft deck overhangs, new and much improved ZF Electronic Engine Controls, new isinglass enclosure, new aft deck enclosure and new windshield covers just to mention a few items! With a 4 Stateroom / 3 Head arrangement along with a crew quarters with separate head, she is a large 65 with plenty of room inside and out!

Currently in Lighthouse Point, FL she is easy to see and a full set of professional photographs will be online soon. Call Chuck with any questions or to set up a time to see this beautiful yacht today!

Main Description

The 65 Viking Sport Cruisers / Princess Motoryacht ranks among the more impressive European cruising yachts of recent years. Beautifully styled and boasting an opulent cherrywood interior, she was a popular model for Viking with just the right blend of luxury, comfort, and performance. Available with four staterooms (crew quarters aft were optional), highlights include a spacious, split-level salon with Ultraleather seating and aft electric window, circular five-person dinette with cherry table, sunken galley with dishwasher, flybridge staircase, and an elevated lower helm with two chairs and a power deck door. There are four staterooms forward including an amidships master with walkaround queen berth, a VIP bow stateroom, and two guest staterooms with single berths. The aft guest stateroom/utility area also contains washer/dryer combo. The cockpit provides easy access to the lazarette and engine room. Topside, the flybridge features a hideaway electronics console, wet bar with refrigerator and grill, and U-shaped lounge seating. A good performer considering her size, her 1,050hp MANs cruise at close to 30 knots!

Notable Features:

- **Fresh 1000 Hour MAN Service**
- **Low overall hours at 2450 on the MANs**
- **Optional 1050hp MAN Performance**
- **New ZF Electronic Controls**
- **Flybridge Hardtop**
- **Bow and Stern Thrusters**
- **4 Staterooms plus a Crew with separate head**
- **Mid Ship Master**
- **Interior Stairwell and Exterior Stairwell to Flybridge**
- **All new exterior upholstery**
- **All new Isinglass, Aft Deck Enclosure and Window Canvas**
- **New teak on flybridge stairs and swim platform**

- **Huge aft deck with custom high gloss table, settee and chairs**
- **Tender Davit**
