“Kryptonite II”

Finished to high standards throughout, the Princess V72 design features are comparable to those of larger Mega Yacht class yachts. Her spacious saloon has a sociable layout design that is open to an amazing aft deck. Wide safe recessed side-decks lead to the smartly designed foredeck settee and lounges. A chef’s delight galley is located on the mezzanine level along with the yachts stacked separate washer and dryer. Sumptuous owner/guest suites accommodate 6 with a full-beam owners suite and aft crew quarters and head.

European luxury design offering exceptional performance and a beautifully handcrafted interior.

Co-op listing with Galati Yacht Sales

- Odyssey Batteries for entire boat
- New Teak Decks - October 2019
- Tender Garage
- Hydraulic Swim Platform
- Electric Sunroof
- Painted Hull - February 2018

Manufacturer Provided V72 Design Overview

The V72 is an exceptional sports yacht delivering the perfect balance of high speed thrills and sophisticated elegance. The latest infusion technology and modified deep-V hull delivers new levels of performance and handling while her sleek profile hides an incredibly spacious and beautifully detailed interior.

Sliding glass doors open from the saloon onto an expansive cockpit where the U-shaped sofa, teak dining table and substantial wetbar enjoy the shade from the extended superstructure above. A wide sunbed extends over the aft deck which also accommodates both the tender garage and spacious twin en-suite crew cabin.

The submersible bathing platform makes launching the tender or swimming from the anchorage a delight and is also large enough to stow a tender or jet ski. Additional sunbathing and seating areas are located on the foredeck which is a perfect spot for a relaxing escape.

Central to her interior styling is the wonderful layout of the main deck, with its large enclosed saloon, panoramic windows and contemporary design. The focal point is an elegant circular dinette which sits beneath the sliding sunroof and creates an ideal place to enjoy breakfast or drink in the view, whether in harbour or underway.

Below decks, three beautifully appointed en-suite cabins provide highly spacious accommodation, all finished with the finest materials and detail.

Accommodations

This Princess V72 offers smartly designed interior and exterior accommodations with sumptuous interior furnishings. From the time you step aboard the aft deck you feel and see the quality that was built into this beautiful cruising yacht and the attention paid to create a wonderful entertaining and living environment.

Lower deck accommodations include a full-beam owners suite with a king-size island bed with a spa-inspired head, a queen VIP stateroom and guest stateroom with twin single berths. Both guest staterooms feature ensuite heads with showers. The Bosch Axxis separate washer and dryer are located just in front of the owners suite. Saying the Owners and guests suites are gorgeous is an understatement, these spaces would rival some of the nicest boutique hotels.

A great entertainment feature is that you can slide open the aft salon glass bulkhead doors and lower the electrically powered window to create a phenomenal salon/aft deck living space. The sound system is exceptional and there are also two flat panel televisions just a few feet apart, so when entertaining you can run the same programming in the salon and aft deck for your guests. The V72 also provides private areas to sit and relax or lounge away on a sunny afternoon, both the fore & aft decks offer large settees as well lounging platforms.

The large aft deck features teak decking, a handcrafted walnut beverage center with a slide out stainless refrigerator, beverage and drawer storage, modern stainless sink and a adjustable flat panel television. Across from the beverage center is a u-shaped settee with a teak table and an electric sunshade for times when you need a little less vitamin D.
