Summary/Description

For Sale.

2003 Carver 396 Aft Cabin Motor Yacht Sea Gal

A great example of what a well-maintained motor yacht should look like. She has been a freshwater boat all her life up until May of 2018 when she was moved to the Clear Lake area. She is powered by twin Mercruiser 8.1L Crusaders sporting a whopping 380 HP each! She has LOW LOW hours with only 110 hours on her main engines! All exhaust systems have been gone through along with recently having her injectors cleaned to keep her in top performance. She also features ample interior space that utilizes every inch of her 13-foot beam. With an exceptionally large Master Stateroom, salon area, and well thought out forward VIP with split head and shower; she will not disappoint! Call now to make an appointment to see her today! Do not miss out on the opportunity to own this beautiful low-hour yacht!
