SINBAD has been lovingly cared for by a very experienced Yachtsman and his crew for the past seven years. During this time, no expense has been spared, SINBAD has had most every system rebuilt or replaced making her better than ever!

SINBAD's tri-deck five stateroom layout makes her the perfect family cruiser or high-end charter yacht.

SINBAD's Seattle partially covered slip may be transferable to a new owner.

Accommodations

3D Tour Available: <https://my.matterport.com/show-mds?m=QwYZu1JDWPq>

SINBAD is a tri-deck custom motoryacht that accommodates ten owners and guests in five spacious staterooms with ensuite heads. The master stateroom is located on the main deck. Four guest staterooms are located on the lower deck and are joined by a foyer equipped with a refrigerator, ice maker, washer and dryer. Three guest staterooms feature queen beds, and one is set up with twin beds.

Crew accommodations are located forward of the galley on the lower deck consisting of three ensuite cabins accommodating up to six crew, a crew lounge, laundry facilities, fridge, freezer and ample storage.

Salon

SINBAD's salon features a marble top bar with custom seating, cabinets, refrigerator, ice maker and sink. The open floor plan from the bar through the salon and into the dining area creates a 40' spacious comfortable entertaining area.

The salon is configured with a large custom L-shaped sofa, leather lounge chairs, additional seating areas, and a 65" Samsung TV with full entertainment system, wine cooler, storage and a day head.

Dining options include alfresco dining on the aft deck or the dining area forward of the salon. With the large salon windows the views are expansive from either dining area.

Master Stateroom

The full beam master stateroom is on the main deck and includes a centerline king size bed with end tables,

bookshelves, two cedar lined closets; one walk-in, vanity, dressing area, refrigerator, ice maker, safe, LED lighting, 65" Samsung TV and entertainment center.

The master shower adjoins his and hers head areas.
