Year: 1983

Engine 2

GM
6.2 Liter Turbocharged
Inboard
215HP
Fuel: Diesel
Hours: 1600
Year: 1983

Summary/Description

1983 Tollycraft Aft Cabin--an excellent cruising vessel with economical engines & generator, good visibility, wide side decks, port & starboard cabin doors, swim platform and transom door. Interior has been re-fit and upgraded, including electric fireplace for those chilly evenings! Check her out!

For those who are serious about cruising and who value seaworthiness, the Tollycraft 43 Motor Yacht has long been a standout performer. Built on a rugged semi-displacement, solid fiberglass hull and bearing a distinct trawler-style profile, the Tollycraft 43 is widely regarded as a superior heavy-weather boat. A sharp entry and a full-length keel provide good handling characteristics, while her flat after sections allow the 43 to cruise efficiently at 12 plus knots with twin GM 6.2 liter turbocharged diesels. The accommodations are well organized with double berths in each stateroom and a breakfast bar separating the salon from the lower-level galley. An inside helm and deck access door, as well as full walkaround decks, swim platform, and bow pulpit of the 43 Motor Yacht, are a plus for convenience and cruising flexibility. The interior is finished with well-crafted teak cabinets and paneling throughout, and the floors were redone in 2005 with teak-and-holly. The aft deck is large enough for a dinghy and the flybridge with full canvas enclosure is comfortable in all conditions.

Overview

Accommodations

Sleeps 6 in two staterooms and salon sofa that converts to a double berth. The forward stateroom features a double berth to port with plenty of storage in the pedestal. To starboard is a hanging locker and bench seat. Overhead hatch and port lights offer natural lighting.

Aft to port is the galley, and directly across is the guest/day head with VacuFlush head and separate shower, chrome fixtures and stainless steel sink.

Up four steps is the salon/lower helm area with sliding deck doors to port and starboard and door to upper, aft deck. Across from the helm station is a breakfast bar with seating. To port, is an L-shaped sleeper sofa with a teak hi/lo table with wings in front of the sofa. To starboard is an entertainment center featuring a 56" TV, stereo system with surround sound, and an electric fireplace. Speakers are located through the boat with separate volume controls and there is a 26" TV in the forward stateroom and a 42" in the aft one.

The aft stateroom features a double pedestal berth, plenty of storage including hanging lockers and built-in drawers and ensuite head with VacuFlush toilet, a fully enclosed shower with a fan and an automatic sump pump.

New windows and frames were re-bedded and installed in 2005 and have exterior privacy/sun covers, and interior Levolor blinds.

New teak-and-holly floors were installed throughout in 2003.

Galley
