Summary/Description

U.S. FLAG! Maintained to the highest standards - one of the finest Mangusta's on the market.

For more than 20 years the Italian designed Mangusta 105 has been ideal for the Mediterranean & Caribbean lifestyle. The 23' beam provides a full walk-around main deck with large alfresco dining, sun pads and large storage for water toys in the transom. The 2000Hp MTU engines and shallow draft will carry you and your guests, with speed and comfort, to exclusive bays and marinas where only smaller vessels can usually go.

Elegance, quality engineering, and speed are the key features that have made the Mangusta a great success in the private and charter markets.
