Hours Date: 09-24-2021
Year: 2019
Serial #: 2B596803
Location: Starboard

Summary/Description

This 2006 Contender 25 Open was rewired, new tank and new engines in 2019. Twin 4.6L V* Verado 225hp only 44 hours.

With a 2019 refit this 2006 Contender 25 open is designed for maximum fishing efficiency, with an impressive amount of uncluttered room. The bow area, for example, is wide open forward of the console, and features a low-profile stainless bow rail and pop-up hardware to minimize snags. There's a 400-quart in-deck fishbox running fore and aft, and you can also order an optional above-deck "coffin box." Three more storage boxes are located aft of the fishbox: a centerline storage compartment and two wing boxes that extend forward beneath the deck. All of these boxes are insulated.

A door on the front of the console affords access to the storage space below, where we found easy access to everything. The console stores four rods vertically per side, and contains a large surface for electronics that is protected by double acrylic doors that lock. It's a very workable setup for electronics, one that we have come to prefer among the various options on the market.

This vessel was re-wired, new tank, new engines in 2019 with only 44 hours. You won't be disappointed with this well loved 2006 Contender 25 Open. Call today to schedule an appointment.
