Summary/Description

1997 Sea Ray 440 Express Bridge

New October listing! The low-profile, Sea Ray 440 Express Bridge features a huge, wide-open, full beam interior floor plan mostly all on a single level with an innovative second stateroom and head located below the salon. There are molded stairs up to the large flybridge area which can seat a small crowd and has direct walk-thru access to the foredeck where there is built-in bench seating. The boat also has a TNT hydraulic swim platform. Powered with T-420hp Caterpillar 3126TA diesels with approx 2700 hours.

Preliminary listing. Additional photos will be added soon. Call the listing broker for more info.
