80' (24.38m) 2006 Offshore Yachts Voyager  
Fort Lauderdale Florida United States

## OVERVIEW

Manufacturer: *Offshore Yachts*

Engines:	2 Caterpillar	Hull Material:	Fiberglass
Engine Model:	C-18	Cruise Speed:	10
Engine HP:	1001	Max Speed:	15
Beam:	21' 6"	Cabins/Heads:	/
Max Draft:	"	Fuel Type:	Diesel
Water:	600 G (2271.25 L)	Fuel:	3000 G (11356.23 L)

**\$1,975,000**

## Data Sheet

Category: Motor Yachts  
Subcategory: Pilothouse  
Condition: Used  
Model Year: 2006  
Beam: 21'6" (6.55m)  
LOA: 80' (24.38m)

Maximum Speed: 15 Cruise Speed: 10  
Fuel Type: Diesel  
Hull Material: Fiberglass

Dry Weight: 180000 lbs  
Fuel Tank: 3000 gal (11356.23 liters)  
Fresh Water: 600 gal (2271.25 liters)  
Holding Tank: 310 gal (1173.48 liters)  
HIN/IMO: OSH80016G506

## Engines/Generators

### Engine 1

Caterpillar  
C-18  
Inboard  
1001HP  
Fuel: Diesel  
Hours: 6300  
Hours Date: 10-26-2021  
Location: Port

### Engine 2

Caterpillar  
C-18  
Inboard  
1001HP  
Fuel: Diesel  
Hours: 6300  
Hours Date: 10-26-2021  
Location: Starboard

### Generator 1

Northern Lights  
32KW  
Hours: 8100  
Hours Date: 10/26/2021

### Generator 2

Northern Lights  
20KW  
Hours: 9250  
Hours Date: 10/26/2021

## Summary/Description

Accommodations for up to 7 guests in three staterooms and two crew in an aft ensuite cabin.

EMBAJADOR is an absolutely beautiful example of Naval architect William Crealock's/Offshore Yachts' primary goal when designing this long-range cruiser to meet the demands for maximum comfort, safety, and flexible usability. Thoughtfully designed from the keel up, the Voyager 80 easily exceeds these criteria. Whether at anchor or underway, the Voyager has an extremely soft, comfortable, and easy motion.

EMBAJADOR is the ultimate expression of the Offshore motto: "The softest ride on the water." The Voyager Series modest draft of 5'10" make this timeless and classic design not only capable of cruising all the islands of the Bahamas and Caribbean, but the capability of the vessel in all seas and weather demanding conditions is unequalled in the industry when making long open ocean passages. In short, a true dual-purpose yacht with a well-deserved reputation for quality and integrity. The rear deck makes for easy connection with the water and excellent sportfishing capability as well.

EMBAJADOR accommodates up to seven guests in three luxurious ensuite staterooms and two crew in the one ensuite aft cabin with its own galley and workshop. She features a Portuguese bridge for easy handling and docking with excellent visibility from an enclosed flybridge. The yacht has been professionally maintained and is fully equipped to be ready for its next cruising adventure.

## Accommodations

The interior is a very rich teak and mahogany trim with raised panels and trim in the style of old craftsmen including crown moldings. Polished brass lamps and substantial hardware sets the interior off in a soft comfortable feel. Granite counter tops enhance the quality.

The layout starts with the Portuguese flybridge that enables the skipper to have maximum visibility when maneuvering her in tight spaces. The bridge is huge with three Stidd helm chairs with a full electronics package to get the owner safely along on any passage. Behind the helm is a settee and a desk/navigation station. There are two side doors out to the Portuguese bridge and another door aft out to the large deck. The deck features a Lynx propane BBQ a sink ample storage and a large TV. There is another dining area under an awning. Aft of the entertaining area is a boat deck along with a 2,500 lb. Nautical Structure davit and 15' dinghy.

The main deck features wide deep walk arounds from bow to stern. The covered California deck is spacious with seating for entertaining or dining for 8 to 10. There is a full control station for backing into a slip or for fishing. Two large doors open into the salon with its beautiful teak and mahogany paneling and comfortable furniture. There is a fire proof wool custom carpet.

Forward of the salon is the center foyer into the boat with doors on each side. There is a day head, the stairway to the flybridge and the stairway to the master suite.

There is a spacious galley that has an abundance of counter space and storage. The appliances are the same as in your home. The galley opens onto the dining/family room with a very large dinette plus a breakfast bar. There is a stairway down to the guest accommodations featuring a VIP with a centerline queen berth and ensuite head. The guest stateroom features a full double and a twin berth along with an ensuite head.

Down from the entry foyer is the master stateroom, which take full advantage of the 20-foot, 6-inch beam amidships for the least motion. A king berth is on centerline. A vanity is to starboard, and doors flanking the berth lead forward to his

and her separate heads separated by a shower.

The crew area which you enter from the cockpit features a large utility room with a Snap-On built-in tool chest, stainless steel counter tops and ample storage for spare parts. It also serves as the crew lounge. The crew area is finished in rich woods and features a galley area with two Sub-Zero under counter refrigerator/freezers, cook top, and sink. The crew berths are upper/under berths along with an ensuite head and stall shower. This is a crew area suited for a much larger yacht.

## Salon

- Large low windows for sit-down visibility
- Long L-shaped settee to starboard with a hi/lo table
- (2) Upholstered teak arm chairs
- Custom cabinets for TV and stereo
- Lobby art stand with storage
- Curio cabinet with lighting and mirror
- Day head
- Samsung 42" TV, 4K
- Marantz stereo system
- Storage for 3 cases of wine
- Oppo Blue Ray DVD player

## Galley

- Sub-Zero 20 cu. ft. refrigerator/freezer
- (2) Sub- Zero undercounter freezers
- Whirlpool Gold Series convection oven
- Samsung microwave oven
- Thermador black ceramic halogen cook top
- ICOM VHF radio with remote to flybridge
- Asko dishwasher
- Samsung TV
- InSinkErator hot water dispenser
- InSinkErator garbage disposal
- Broan trash compactor

- All roller bearing full extension drawers

## Dining / Family Room

- Large U-shaped settee surrounded by large viewing windows
- Sub-Zero wine cooler
- Samsung TV
- U-Line icemaker
- Sink with faucets

## Pilothouse

The pilothouse is everything you would expect on a comfortable cruising yacht, providing the perfect perch for long passages. Features include three Stidd helm chairs, superb 360-degree visibility, a settee and table aft to starboard, and a chart table / ship's office to port.

Directly abaft the pilothouse is the boat deck which has upgraded twin settees. A 2,500-pound crane easily handles the 15' Nautica tender, and the outside entertainment amenities included a grill, refrigerator, and sink.

## Master Stateroom

- King-size walk around bed with drawers and lockers
- Cedar lined hanging lockers at port and starboard
- 110V reading sconce and dimmer
- Vanity and stool with hinged top for storage and lighting
- Custom cabinet for 20" TV
- TV, stereo systems
- 24V Halogen overhead lighting with dimmer controls
- (2) 110V wall sconce
- Reading lights over berth with dimmer
- (2) Opening port lights
- Lighted glass bookshelves

## Master Head

- Granite vanity tops with 4" back and side splash
- (1) 110V wall sconce

- Ceramic sinks with “lifetime finish” brass faucets
- Tecma turbo flush head
- Shower with frameless glass door
- Ventilation blower
- Hardwood sole
- (2) Opening port lights
- Marble seat in shower
- Teak shower grate

## **Forward Guest Stateroom**

- Queen size island bed with drawers and lockers
- Cedar lined hanging lockers at starboard side
- Custom TV cabinet
- Escape / ventilation hatch to forward deck
- 24V Halogen overhead lighting with dimmer control
- (2) 110V wall sconce reading lights over berth with dimmer
- (3) Opening port lights
- Carpeted sole

## **Forward Guest Head**

- Granite vanity tops with 4” back and side splash
- (1) 110V wall sconce
- Ceramic sinks with “lifetime finish” brass faucets
- Tecma turbo flush head
- Shower with frameless glass door
- Ventilation blower
- Hardwood sole
- (1) Opening port light
- Marble seat in shower

## **Guest Stateroom, Mid**

- Queen size bed and drawers
- Twin size bed and drawers
- Cedar lined hanging lockers
- Custom TV cabinet
- Escape hatch at overhead into dining area
- 24V Halogen lighting with dimmer control
- (2) 110V wall sconce reading lights over berth with dimmer
- (2) Opening port lights
- Carpeted sole

## **Guest Head, Mid**

- Granite vanity top with 4" back splash
- Tecma turbo flush head
- Custom etched glass wall partition
- Shower with frameless glass door with custom etching
- Ventilation blower
- Hardwood sole
- (2) Opening port lights
- His and her sinks
- Marble seat in shower

## **Crew Cabin / Galley**

- Upper and lower bunks
- Cedar hanging lockers
- 24V Halogen lighting with dimmer control
- Brass wall reading light for upper bunk
- Custom TV cabinet
- (2) Opening port lights
- Handcraft 6" latex mattresses

## **Utility Room and Lazarette**

- Upper and lower bunks
- Cedar hanging lockers
- 24V Halogen lighting with dimmer control
- Brass wall reading light for upper bunk
- TV
- (2) Opening port lights

## Miscellaneous

- (8) Polyform F5 Series fenders
- (17) SS removable rocket launchers, (4) removable SS rod holders
- Sunbrella bow seat cushions
- Bow seat cover
- Sunbrella Cal deck settee cushions
- Cal deck settee cover
- Cal deck table covers
- Sunbrella boat deck settee cushions
- Boat deck settee covers
- Boat deck table covers
- Custom canvas cap rail covers with minimal fasteners
- Foredeck hatch cover
- Windlass covers
- Hatch covers over forward lounge
- Wheelhouse hatch covers
- Wheelhouse forward window and 2 side window covers
- Forward lounge window cover
- Tender cover
- Tender console cover
- Dive compressor cover
- Extensive inventory of spare parts

## Flybridge Wheelhouse Electronics

- (4) Furuno MU155C 15" color monitors
- (2) Furuno NAVNET 3D multi-function processors
- Furuno 96-mile 25 kW radar
- Furuno 64-mile 6 kW radio
- Furuno NAVNET plotter
- Furuno BBFF1 600/1kW fish finder
- (2) Furuno GP GPS's
- Furuno AIS class B transponder FA-50 Simrad
- (2) AP 26 autopilots
- KVH Trac Phone SAT communications
- Globalstar SAT phone
- ICOM M602 VHF radios
- B&G wind speed & depth
- FLIR Night Vision camera M Series 626-I
- Engine room video cameras
- RAC Telefield Intercom throughout

## Entertainment Equipment

- KVH HD7 SAT TV Antenna with DirecTV high-definition boxes throughout
- Samsung TV's and Bose stereo system in all staterooms, wheelhouse, flybridge aft deck, main salon, and crew quarters

## Electrical

- 220V / 110V 50-amp system
- Spare 2-50A cables and splitter box for 2-50 A cables
- 24V DC system
- Northern Lights 32 kW generator, 8,100 hrs.
- Northern Lights 20 kW generator, 9,250 hrs.
- (2) Trace 4 kW inverter w/160-amp charter systems
- Dual 75-amp 24V alternators on each engine

- (12) AGM 8D batteries for house and inverter (Lifeline AGM 2019)
- (4) AGM 8D batteries for engines (Lifeline AGM 2019)
- (2) AGM 4D batteries for generators (Lifeline AGM 2019)
- Newmar 24V 20-amp charger for generator batteries
- Newmar 24V 35-amp charger for engine batteries
- (2) Glendinning Cable Master with 75' shore power cords
- (2) Charles Iso-Boosters / transformers
- Mastervolt 24V to 12V transformer

## Safety Equipment

- Fireboy MA fire system
- Fireboy FE241 automatic fire suppression fitted inside each generator
- (2) Fire blankets
- Compliant Solas flare kits
- Smoke and fire alarms throughout vessel
- Revere Solas MK II 10-person life raft (serviced 10/25/21)
- High intensity search light controls in pilothouse
- (2) Hand-held search lights
- (2) Throwable life rings / lights
- (2) Rescue throw lines
- Life sling
- Emergency bilge pumps, engine driven, each engine
- Type 1 life jackets - 11 adult and 4 children
- (1) Type V life jacket
- 406 GPS EPIRB
- Flare kits, helm, and aft work area
- Hand carry ditch bag
- High water alarm

## Foredeck

- (2) Maxwell 4,000 lb. hydraulic windlasses
- 110 lb. Stainless steel Plow anchor
- 176 lb. Stainless steel Ultra anchor
- (2) 300' ½" HT chains
- Fresh water wash down
- Salt water wash down
- Storage for fenders and lines
- Settee across the front of the house
- SS safety rails around the bulwarks
- (2) 50-Amp shore cord inlets

## **Side Decks**

- Nuvair 4-hp 220V dive compressor
- Fender saddles
- Stairs to Flybridge
- Utility closet with compressor for dive tanks
- Teak covering boards

## **California Deck**

- Teak decks
- Seat across the transom
- (2) Teak dining tables
- (2) Dining chairs
- Helm station with thruster controls and steering/autopilot controls
- Samsung TV and stereo speakers
- Closed circuit camera

## **Cockpit**

- Teak decks
- Double wide opening door on the transom
- Hot & cold shower

- Fresh water wash down
- Salt water wash down
- Rod racks for 8 rods
- Outriggers
- (14) Rod holders
- Bait tank

## **Boat Deck**

- Lynx BBQ
- Sink
- Samsung TV
- Dining area to seat 8
- Awning over the seating and BBQ area
- Revere 6-person life raft
- Revere 10-person life raft
- Nautical Structure EZ2, 500 full rotate davit
- Nautica 15' RIB dinghy with 90-hp Yamaha

## **Plumbing**

- (2) Headhunter Mach 5 water pressure systems
- MarineAir chilled water air conditioning system
- Allcraft stainless hot water heater, 35 gallons (Guest)
- Allcraft stainless hot water heater, 12 gallons (Crew)
- (2) Sea Recovery 600 GPD watermakers
- (5) Tecma Turbo Flush heads
- Fresh & salt water wash downs, fore and aft

## **Recent Updates / Service**

- 01/27/2021 Serviced all fire extinguishers and small life raft
- Serviced 10-person offshore life raft
- 03/24/2021 Rebuilt all steering cylinders with new seals

- 03/25/2021 Serviced anchor windlasses and fiber glassed and resealed anchor plates
- 03/25/2021 Serviced and replaced all thru hulls
- 03/25/2021 New bottom paint and prop speed
- October 2021 CAT complete 1000 hr. service
- October 2021 Northern Lights generators serviced
- October 2021 Serviced hydraulic cooling systems for both stabilizers, steering, and windlass hydraulics
- 01/13/2020 New high pressure fuel injection pump on 20 kW gen
- 01/14/2020 New A/C chiller temperature sensors and A/C system flush
- 02/06/2020 Replaced hydraulic hoses (high pressure hoses leaving pumps, hoses to port stabilizer, hose between steering coolers, various others under gen sets) and filled Wesmar system with new hydraulic fluid
- 10/05/2020 Replaced watermaker filters
- 10/01/2020 New bait pump
- 10/08/2020 Changed main filter elements for water makers and large flush charcoal filters
- Starting in January of 2019 until 2020, a long list of well executed maintenance items and improvements were performed on the vessel, to include, but not limited to the following major items: Replaced all house, engine start, and generator start batteries with Lifeline AGM batteries.
- Serviced engine and generator cooling systems including heat exchangers, hoses, impellers.
- Added PDQ Wi-Fi and cell phone booster
- 3000-hour service and valve adjustment on Cat C-18's
- Added LED lighting on Main deck, boat deck, California deck, mast lighting and running lights.
- Added Ocean LED superyacht series underwater lights and drivers.
- Installed four new cutlass bearings and Tides Marine Shaft Seals.
- Replaced both water maker pre filters.

Note: A more detailed list of ongoing maintenance completions is available over the entire time that the present family has owned the yacht. A brief conversation with the captain will reinforce your impression of how well this vessel has been cared for. His total understanding of proper pro-active maintenance will benefit the next owner in all categories throughout the vessel.

## Exclusions

- Owner's fishing equipment and tools
