## Summary/Description

For Sale

2007 38 Rampage Express is handsome boat, Calypso is built on a fully cored hull with a relatively wide beam and an efficient 19 degrees of transom deadrise. The deck layout of the Rampage 38 has a center helm pod forward with an L-shaped lounge to port and wet bar opposite. Aft, the cockpit is equipped with two removable in-deck fish boxes, a custom 55-gallon livewell (with a top-mounted window), a molded tackle center, and a transom door and gate. The entire bridge deck lifts on a pair of hydraulic rams to reveal a spacious and well-designed engine compartment. Below, the cabin of the 38 will accommodate four with a double berth forward and a convertible U-shaped dinette to port. Additional features include excellent cabin headroom, a separate stall shower in the head, power windshield center vent, hinged helm (for access to the wiring), tilt steering, and cherrywood interior trim. Calypso had her hull sides painted in 2019 as well as updated Garmin electronics making her a very attractive option to get you and your family out fishing. Call and schedule your showing today!
