Summary/Description

The elegant Squadron 68 is designed for racing to new destinations. Relax on the elevated flybridge while the breeze blows on your face as you look out at the horizon. Dine on fine food from well-equipped galley, served from single-level saloon.

Coming Soon: Tampa Bay

The elegant Squadron 68 is designed for racing to new destinations. Relax on the elevated flybridge while the breeze blows on your face as you look out at the horizon. Dine on fine food from a well-equipped galley, served from a single-level saloon. Lightness, space and a fluid design make time above or below deck both graceful and free-flowing. With no question, this is a yacht that will move you.

The Deck standard features include anchor winch & control, bathing platform, bathing platform ladder, black mesh windscreen cover, calibrated galvanized anchor chain, carbon fiber ensign staff, fenders, foredeck seating & sunbeds, fuel filler, full set of IMCO navigation lights, hot and cold water transom shower, riding light, twin horns and self-stowing Delta galvanized anchor.

Flybridge Helm include, a 12V heavy duty weatherproof socket, Aft facing loose seating and tables, Bow thruster controls, Companion seating with table to helm, Cupholders, Electric single-lever throttle and gear controls, Fusion Apollo Audio, High-speed magnetic compass, Powered steering, Radar mast, Remote anchor winch controls, Repeat flybridge engine instrumentation, controls and electronics, Seating and dining table, Teak laid flybridge steps, Trim tab controls, helm covers, VHF radio incorporating intercom, and Wet bar with refrigerator and sink

The Lower Helm features include a High-speed magnetic compass, Garmin 16' digital multi-function color display, Garmin Autopilot, Garmin VHF marine radio, Opening window, Power Steering, Rubber position indicator, Searchlight controls, Red helm light, Trim tabs control, USB socket and more!
