This is the ONLY 48' Sunseeker Portofino 2013 available in the USA.

Don't let this one get away!

A real head turner and it will be one of the best opportunities of the year!

This low hour vessel is powered with Twin Volvo Penta IPS 600 Diesels at 425 HP each that ensure reliable performance and an exhilarating cruise. The Joystick control provides easy maneuverability in close quarters. Also equipped with Volvo's Dynamic Positioning System, which allows you to maintain your position regardless of wind or current. This added element gives you peace of mind if you're handling the boat by yourself.

Two Stateroom Two Head Layout. Her stunning full-beam walk around aft suite provides a relaxing respite after a great day on the water. Tons of natural light flood the fully equipped galley and salon. Spacious teak cockpit with plenty of room for al-fresco dining. With her large bow and aft sunpad, there is plenty of space to grab some rays or lounge and socialize. The **2018 Williams 325 Jet Tender is hidden in the garage**, you're perfectly set up for a James Bond getaway!

Her sophisticated & sleek styling combined with premium accommodations make every trip an unforgettable escape.

Manufacturer Provided Description

Combining space with pace, the Portofino 48 achieves a remarkable interior plan, with a full-beam owner's aft suite with huge windows to either side. Forward, there's a clever VIP suite in which the double bed cunningly swings apart to create twin single berths. The central saloon sits at the heart of the accommodation and enjoys a mix of grain, bold lacquers and deep glass options. The boat's profile is sleek with a long expanse of foredeck topped by cantilevering sunpads. The cockpit screen rises fairly well aft in a smooth and neatly engineered radius, behind which is a helm station with pilot seating, wetbar and full dining arrangement.
