## Summary/Description

Built in GRP by the renowned British shipyard Princess Yachts, M/Y SIDURI III has been delivered in July 2023 and has been in private use exclusively since then.

Built in GRP by the renowned British shipyard Princess Yachts, M/Y SIDURI III has been delivered in July 2023 and has been in private use exclusively since then.

The main deck features an elegant and spacious saloon, offering various configurations, including a convertible table and seating arrangements. The circular dining table forward in the saloon welcomes 8 guests. The galley layout could be either enclosed or open space, allowing the crew to move comfortably around the boat without disturbing the guests.

M/Y SIDURI III accommodates 8 guests in 4 comfortable cabins designed with luxurious materials, selected by Princess Design studio. The lower deck comprises a full-beam master stateroom, two VIP double cabins and a twin cabin all with en suite bathrooms.

Powered by twin MAN V12 engines with only 236 hours each, she cruises comfortably between 15 and 20 knots, reaching a top speed of 30 knots. The yacht is equipped with electrical Zero speed and underway fin stabilizers. M/Y SIDURI is loaded with options, including the recently added powerful watermaker, many awnings with carbon poles, a piano, windscreens and mosquito screens to protect the entire boat.

She is in full warranty until July 2025.
