Summary/Description

Dialed In" is the perfect example of a well-maintained Cabo Express 35 with LOW HOURS!! Brand New Furno Navnet Electronics!! She has just been hauled out and had the bottom painted along with having both Cat 3126B and Westerbeke 7.5 Genset completely serviced! With very low Hours on both the engines,1000hrs, makes "Dialed In" a very sought-after fishing machine! And yes, it does have a Water Maker!! Professionally Maintained!!
