Engines/Generators

Summary/Description

For Sale

This Tiara 4200 open is perfect for fishing, day trips or even weekend trips with the family. Large foredeck for sunbathing and open deck plan for easy movement. This boat is well maintained. It features a 7.5 kva onan generator to power the air conditioning for warm tropical days. The owner hires a local deckhand to keep the boat clean and organised. He also visits the boat every time he has during the week and uses it almost every weekend. These boat details are subject to contract. Note: Offers on the asking price may be considered.
