Summary/Description

A striking yacht with unusually large salon windows, the Azimut 50 Flybridge is a three stateroom Italian yacht with Azimut's signature vertical hull windows and a decidedly broad bow area.

****MORE PHOTOS COMING SOON****

A striking yacht with unusually large salon windows, the Azimut 50 Flybridge is a three stateroom Italian yacht with Azimut's signature vertical hull windows and a decidedly broad bow area. The extended flybridge measures nearly 200 square feet in size, and the bow has a six-person bench seat in addition to the sun pad. Below deck, a U-shaped settee sits to starboard with a wood table at its center. Another settee is to port in the salon, and the raised lower helm is forward to starboard. The full-beam owner's cabin is amidships and the VIP cabin is at the bow, as is the second guest cabin with two Pullman berths. The Azimut 50's cockpit is completely shaded by the flybridge overhang and a U-shaped lounge runs the length of the transom. The squared bow not only allows more internal volume, but also protects the deck and sun pad from sea-spray while cruising. Volvo 670hp straight-shaft inboards cruise the Azimut 50 at 26-27 knots (30+ knots top).

The Azimut 50 Fly is one of the best all around yachts for size, performance and space. With its incredible list of features like the oversized bridge, 3 generous staterooms, sea keeper and joystick docking make this yacht a joy to handle and comfortable for the whole family!

Key Features:

1000 hour service completed

Seakeeper can be added for 85k

3 Stateroom Layout with Full Beam Master

Volvo Penta D11s

Cummins 17kW Generator

(2) Raymarine Axiom GPS color touch screen Chartplotters at Flybridge

(2) Raymarine Axiom GPS color touch screen Chartplotters at Lower Helm

Raymarine Autopilot and Radar

Tracvision HD Satellite TV

Joystick Control with Yacht Controller

Strata Glass Enclosure on bridge

Grill station on flybridge

Air Conditioning and Heat

Manual Sunroof on bridge
