2015 Viking 42 Open

"Gianna of the Seas" is a great example of a well-maintained, upgraded, and turn-key 42 Viking Open, and she is ready for her next owner!

After a recent update, her electronics suite now boasts a new glass helm with three 17" Garmin GPS 8617 screens, Garmin Panoptix PS60 Thru-Hull with LiveVu, FLIR night vision, and Maretron monitoring system.

Her Cummins engines only have 1,000 hours with all services up to date. The Zeus drives were recently replaced and have less than 250 hours on them.

Beyond these highlights, she is a very well-optioned boat with a ton to offer her next owner in all areas, but especially in comfort, function, and safety!
