Summary/Description

"Xtasy" is a classic 1980 Hinckley Bermuda 40 - Sloop. Some of her features include: Electric Stowaway spar, Electric Primary winches and Airconditioning.

With the longest production run of any boat built in the U.S., the Bermuda 40 is as seaworthy as she is beautiful.

"Xtasy" is a sloop rigged Hinckley Bermuda 40 Mk III. She is Hull #175 of 203. This yacht has been continually maintained with conscientious care by all of her owners.

Accommodations

The port U-shaped dinette with large drop leaf table can dine the entire crew and converts to a double berth. To starboard is a straight settee with pilot berth outboard. Aft to port is the L-shaped galley spanning the companionway to port side with navigation station to starboard.

- 50 ft shore power cord

Mechanical

- Universal 40hp diesel 1100 hrs.
- Marine Gear and propeller shaft
- 3 blade Bronze propeller
- Shaft log
- Exhaust system w/ waterlift muffler
- Intake Seacock 1" & Strainer Bronze
- Alternator
- Engine room insulation
- Engine temperature alarm
- Emergency engine stop
- CO2 manual fire extinguisher
- Manual and automatic bilge pumps

Construction Hull and Deck

At the time of construction and as is the case today, Hinckley is a leader in fiberglass and composite construction. The B40's were laminated in Southwest Harbor with a solid fiberglass hull reinforced with additional laminations in high stress areas. The deck and superstructure are cored for added stiffness and weight reduction. The deck is set on a robust 6" inward flange which is molded into the hull, glassed and thru-bolted to form a strong permanent hull to deck joint. Nonskid pattern is molded into the deck.

- Topsides are AwlGrip "Flag Blue" (2020)
- Exterior brightwork wooded and re-coated w/ 8 coats varnish (2021)

- Exterior Toast Sunbrella canvas covers (2021)
