*****Sorry - Broker co/op not available!**

Broker Notes: 3rd owner vessel originally from WI., note original owner custom configured interior layout to include large mid-ship head in-place of small stateroom. Current owner purchased June 2020 and is moving into larger vessel. June 2020 Marine Survey on file. NEWER Teak Cockpit, Carbon-Fiber accents on transom, NEWER Furuno Navigation System, oil-exchange system, dripless shaft logs, underwater lighting. Note Nautica Jet-Tender included. Highly recommended by listing agent.

The PowerBoat Guide had this to say:

Describing the Sunseeker 68 Predator an "express" yacht is a little like calling Windsor Castle a country residence—the words fall short of reality. In fact, the Predator is more motor-yacht

than express, at least when it comes to luxury. Sunseeker has years of experience building super-yachts like the 68 Predator, and they set the quality and performance standards for such yachts for many years. Built on a deep-V hull with a wide 17'1" beam and prop pockets, the opulent three-stateroom interior of the 68 Predator is a stunning display of satin-finished cherry woodwork, posh leather seating, and designer hardware and fabrics. A gourmet galley is to port in the cavernous salon, opposite a massive sofa with seating for eight. Two floor-plans were offered, one with the master stateroom forward, the other with a full-beam master aft. Most entertaining on the Predator will be done on the top deck where the hardtop (with massive retractable sunroof) and lounge-bar area are ideal for soaking up sun. A hydraulic swim platform and tender garage were standard, and the 68's large engine-room offers good access to the motors. A fast ride, MAN 1,300hp engines top out at 35+ knots.
