Summary/Description

2000 Ocean Yacht 48 Super Sport

Embark on your next nautical adventure with this 2000 Ocean Yacht 48SS—a vessel that seamlessly blends performance and comfort. Lightly fished and extensively cruised along the stunning Chesapeake Bay, this boat has also undertaken extended runs between New York and Virginia Beach, totaling over 1,200 nautical miles in the last two years.

While the engines' hours may be low, rest assured that the meticulous owner has spared no expense in ensuring peak performance. The 1000-hour service has already been completed with both aftercoolers replaced in the process; this is evidence of the owner's commitment to ensuring reliability and longevity.

Owned by a seasoned captain with a background in naval programs and engineering, this 48 Super Sport has been treated to the finest care. Meticulously maintained, consistently upgraded, and modernized, it stands as a testament to both craftsmanship and innovation.

(see full specs for the extensive updates)

Efficiency is a hallmark of the Ocean Yachts design, she effortlessly cruises in the mid-20KN range while achieving better than 0.5NMPG (topping out at 30+ knots) —a testament to the efficient hull design of the 48SS.

As her owners set their sights on a live-aboard boat, we invite offers from those ready to embark on their own Ocean Yachts journey on one of the nicest 48's to come along.
